CARLIE HART

Wish You Were Here Penguin UK
A comprehensive look at the unique recording history of Pink Floyd, one of the world's most commercially successful and influential rock bands. *Pink Floyd All the Songs* tells the full story of every recording session, album, and single that the band has released. Since 1965, Pink Floyd been recording sonically experimental and philosophical music, selling more than 250 million records worldwide, including two of the best-selling albums of all time *Dark Side of the Moon* and *The Wall*. In *Pink Floyd All the Songs*, authors Margotin and Guesdon describe the origins of the band's nearly 200 released songs, including details from the recording studio, what instruments were used, and behind-the-scenes stories of the tensions that helped drive the band. Organized chronologically by album, this massive, 544-page hardcover begins with the band's 1967 debut album *The Piper at the Gates of Dawn*—the only one recorded under founding member Syd Barrett's leadership—and runs all the way through their 2014 farewell album, *The Endless River*, which was downloaded 12 million times on Spotify during its first week of release. Packed with more than 500 photos, *Pink Floyd All the Songs* is also filled with stories that fans will treasure, such as Waters working with engineer Alan Parsons to implement revolutionary recording techniques on *The Dark Side of the Moon* during sessions at Abbey Road Studios in 1972, and producer Bob Ezrin's contributions that helped refine Waters' original sprawling vision for *The Wall*.

A Spark of Light Allen & Unwin

Elgin, Illinois, was founded in 1835. However, the community truly came into its own at the end of the Civil War, when the Elgin National Watch Company moved there and took the city name as its own. The name Elgin became synonymous with quality for over 100 years. Elgin, Illinois: "Wish You Were Here" tells the story of the town of Elgin during the 20th century, featuring vintage postcards of that period. Special events of historic interest include the tornado of 1920, and the Elgin Road Races, which gained national fame for a brief time around the World War I era. More than 200 pictures, culled from the collection of the Elgin Area Historical Society, and colorful narratives tell of the accomplishments by those first few generations who lived and died in the community.

Wish You Were Here: Europe Little, Brown Books for Young Readers

Poorcraft is the essential comic book guide to practical urban and suburban frugality! Whether you're new to independent living, a recent college graduate or just downshifting to a simpler lifestyle, *Poorcraft* can help you with everything from finding a home to finding a hobby, dinner to debt relief, education to entertainment. It's time to cut your expenses! Or just make sure they never pile up.

Wish You Were Here (and I Wasn't) Tauran Publishing

A brilliant romantic comedy exploring beach basics for the broken-hearted from number one bestselling author Mike Gayle. Their holiday brochure said 18-30 . . . But they've just turned 35. After ten years together Charlie Mansell has been dumped by his live-in girlfriend, Sarah. All he wants to do is wallow in misery, but mates Andy and Tom have a better idea: a week of sun, sea and souvlaki in

Malia, party capital of the Greek islands. But Charlie and his mates aren't eighteen any more. Or even under thirty. And it shows. It isn't the cheap beer, the late nights or even the fast-food that's the problem. It's girls. And life. And most of all . . . each other. **WISH YOU WERE HERE** is a heart-warming, funny and wise tale about love and friendship and how seven days in the sun can change your life forever.

#1 NEW YORK TIMES BESTSELLER •

From the author of *Small Great Things* and *The Book of Two Ways* comes “a powerfully evocative story of resilience and the triumph of the human spirit” (Taylor Jenkins Reid, author of *The Seven Husbands of Evelyn Hugo* and *Daisy Jones & The Six*) Rights sold to Netflix for adaptation as a feature film • Named one of the best books of the year by *She Reads* Diana O’Toole is perfectly on track. She will be married by thirty, done having kids by thirty-five, and move out to the New York City suburbs, all while climbing the professional ladder in the cutthroat art auction world. She’s an associate specialist at Sotheby’s now, but her boss has hinted at a promotion if she can close a deal with a high-profile client. She’s not engaged just yet, but she knows her boyfriend, Finn, a surgical resident, is about to propose on their romantic getaway to the Galápagos—days before her thirtieth birthday. Right on time. But then a virus that felt worlds away has appeared in the city, and on the eve of their departure, Finn breaks the news: It’s all hands on deck at the hospital. He has to stay behind. You should still go, he assures her, since it would be a shame for all of their nonrefundable trip to go to waste. And so, reluctantly, she goes. Almost immediately, Diana’s dream

vacation goes awry. Her luggage is lost, the Wi-Fi is nearly nonexistent, and the hotel they’d booked is shut down due to the pandemic. In fact, the whole island is now under quarantine, and she is stranded until the borders reopen. Completely isolated, she must venture beyond her comfort zone. Slowly, she carves out a connection with a local family when a teenager with a secret opens up to Diana, despite her father’s suspicion of outsiders. In the Galápagos Islands, where Darwin’s theory of evolution by natural selection was formed, Diana finds herself examining her relationships, her choices, and herself—and wondering if when she goes home, she too will have evolved into someone completely different.

Weather's Here, Wish You Were Great Hachette UK

Wish You Were Here: Travels Through Loss and Hope is the story of Amy Welborn’s trip to the island of Sicily with three of her children five months after her husband’s sudden death from a heart attack. Her journey through city and countryside, small town and ancient ruins, opens unexpected doors of memory and reflection, a pilgrimage of the heart and an exploration of the soul. It is an observant and wry memoir and travelogue, intensely personal yet speaking to universal experiences of love and loss. Along the narrow roads and hairpin turns, the narrative reveals the beauty of the ordinary and the commonplace and asks stark questions about how we fill the empty places that a loved one leaves behind. It is a meditation on the possibility of faith, one that is unflinching, uncompromising, and altogether unsentimental when confronted by the ultimate test of belief. This book is not only a well-told memoir, but a testimony to the truth that love is

stronger than death.

Wish You Were Here Scholastic Inc. Are you bored of the endless scroll of your social media feed? Do you swipe left before considering the human being whose face you just summarily rejected? Do you skim articles on your screen in search of intellectual stimulation that never arrives? If so, this book is the philosophical lifeline you have been waiting for. Offering a timely meditation on the profound effects of constant immersion in technology, also known as the Interface, *Wish I Were Here* draws on philosophical analysis of boredom and happiness to examine the pressing issues of screen addiction and the lure of online outrage. Without moralizing, Mark Kingwell takes seriously the possibility that current conditions of life and connection are creating hollowed-out human selves, divorced from their own external world. While scrolling, swiping, and clicking suggest purposeful action, such as choosing and connecting with others, Kingwell argues that repeated flicks of the finger provide merely the shadow of meaning, by reducing us to scattered data fragments, Twitter feeds, Instagram posts, shopping preferences, and text trends captured by algorithms. Written in accessible language that references both classical philosophers and contemporary critics, *Wish I Were Here* turns to philosophy for a cure to the widespread unease that something is amiss in modern waking life.

A Restless Art McGill-Queen's Press - MQUP

"This amusing, sad, and heartfelt look at [Adams's] life is a true gift."—New York Post It all started when Douglas Adams demolished planet Earth in order to make way for an intergalactic expressway—and then invited everyone to thumb a ride on a comical cosmic

road trip in *The Hitchhiker's Guide to the Galaxy*. Adams made the universe a much funnier place to inhabit and forever changed the way we think about towels, extraterrestrial poetry, and especially the number 42. And then, too soon, he was gone. In *Wish You Were Here*, Nick Webb, a longtime friend of the author, reveals the many sides, quirks, and contradictions of Douglas Adams. A summation as celebration, it is a look back at a life well worth the vicarious reliving, as studded with anecdote, droll comic incident, and heartfelt insight as its subject's own unforgettable tales of cosmic wanderlust. Praise for *Wish You Were Here* "Webb's tale brims with affection and humour; every page is a delight."—The Daily Mail "It's perhaps the ultimate credit to Webb that he can be just as funny as Adams in his writing. With many of the same veins of humour that Adams had running throughout this biography, it's as if the great hitchhiker has never really left."—The Leeds Guide

Wish You Were Here NorthSouth (NY) A late-night telephone call about a mysterious car which went missing seven years ago and has now been recovered causes a chain reaction of violence in this all-new comics novelette from Gipi; ultimately this crime story (which is not so much a "sequel" to *The Innocents* as another story set in the same milieu with a different cast of characters) turns into a tale of religion and hypocrisy

Wish You Were Here North Star Editions, Inc.

A BBC Radio 2 Book Club Pick 2015 'A poignant tale of one person's transgender journey.' - Heat Luke Livingstone is a lucky man. He's a respected solicitor, a father and grandfather, a pillar of the community.

He has a loving wife and an idyllic home in the Oxfordshire countryside. Yet Luke is struggling with an unbearable secret, and it's threatening to destroy him. All his life, Luke has hidden the truth about himself and his identity. It's a truth so fundamental that it will shatter his family, rock his community and leave him outcast. But Luke has nowhere left to run, and to continue living, he must become the person - the woman - he knows himself to be, whatever the cost. 'Move over Jodi Picoult. New Zealand-based author Charity Norman has the same clever knack of taking an issue and examining it from all angles, to see the effect it has on everyone involved.' New Zealand Herald

Wish You Were Here HarperOne

If you were here I'd hug you tight. If you were here I'd say, 'You are my very bestest friend.' I wish you could have stayed. *If You Were Here* is a beautiful rhyming story for little ones who have lost someone important to them.

Through a little boy's journey of loss to hope, *If You Were Here* shows us how we are always and forever connected to *Wish You Were Here* Simon and Schuster Pippa is in Italy for the summer and, despite her parents' wishes, she has no intention of just studying the local art! She has a list of things of her own to do: from swimming in the Mediterranean Sea to getting a makeover - and falling for an Italian boy! As Pippa explores the dramatic ruins of Rome and Pompeii, she is swept into her own drama with two guys: an irresistible local she knows is nothing but trouble and a cute American archaeology student . . . Will she find her true love? The perfect reckless romance to enjoy whether you are home or abroad.

The New Woman Image

A riveting novel about what we choose

to keep from our past, and what we choose to leave behind, from the New York Times bestselling author of *Wish You Were Here* and the bestselling author of *She's Not There*. Olivia McAfee and Ava Campanello have each had a change of life forced upon them. Olivia never dreamed that after her messy divorce she would find herself back in her sleepy New Hampshire home town, living in the house she grew up in and taking over her father's beekeeping business. Ava is also in search of a fresh start, moving to Adams with her daughter Lily, who is in her final year of high school. For a short while these new beginnings are just what everyone hoped for. Olivia's son Asher falls for the new girl at school, and Lily can't help loving him in return. With Ash she feels happy for the first time, yet she wonders if she can trust him completely. Then one day Olivia receives a phone call. Lily is dead and Ash is being questioned by the police. Olivia is adamant that her son is innocent, but she also recognises the flashes of his father's dangerous temper in him. As the case unfolds she realises Ash has hidden more than he's shared with her. Fan favourite Jordan McAfee, previously in *The Pact*, *Nineteen Minutes* and *Salem Falls*, returns as Ash's lawyer and Olivia's brother. *Mad Honey* is a gripping novel of suspense, a poignant love story, and a moving and powerful exploration of the secrets we keep and the risks we take.

Wish You Were Here Pan Macmillan Picturesque images capture the elegance and excitement of 31 unforgettable vacation locales, from a quaint seaside village and wintry ski resort to the magnificent sights of New York City, London, Paris, Amsterdam, Rome, and other world-class destinations.

Births, deaths and marriages, No1 singles, drug busts and arrests, famous gigs and awards... all these and much more appear in this fascinating 50 year almanac. Using a page for every day of the calendar year, the author records a variety of rock and pop events that took place on a given day of the month across the years. *This Day in Music* is fully illustrated with hundreds of pictures, cuttings and album covers, making this the must-have book for any pop music fan.

Wish You Were Here National Geographic Books

This book will give tourists and travelers a description of each of 50 leading destinations from around Europe with a personal explanation offering an insight as to why, and how, these destinations consistently deliver high-quality visitor experiences. In addition to the 36 European destinations featured in *Wish You Were Here*, this European edition of the book also includes information on West Dorset (UK), Bergamo (Italy), Bordeaux (France), Brda (Slovenia), Vyske Tatry (Slovakia), Cornwall (UK), San Sebastian (Spain), Podcetek (Slovenia), Trieste (Italy), The Wadden Sea (Denmark), Cardiff (UK), Basel (Belgium), North Pembrokeshire (UK) and Valletta (Malta).

Wish You Were Here Atlantic Books
#1 NEW YORK TIMES BESTSELLER • The author of *Small Great Things* returns with a powerful and provocative new novel about ordinary lives that intersect during a heart-stopping crisis. "Picoult at her fearless best . . . Timely, balanced

and certain to inspire debate."—The Washington Post
The warm fall day starts like any other at the Center—a women's reproductive health services clinic—its staff offering care to anyone who passes through its doors. Then, in late morning, a desperate and distraught gunman bursts in and opens fire, taking all inside hostage. After rushing to the scene, Hugh McElroy, a police hostage negotiator, sets up a perimeter and begins making a plan to communicate with the gunman. As his phone vibrates with incoming text messages he glances at it and, to his horror, finds out that his fifteen-year-old daughter, Wren, is inside the clinic. But Wren is not alone. She will share the next and tensest few hours of her young life with a cast of unforgettable characters: A nurse who calms her own panic in order to save the life of a wounded woman. A doctor who does his work not in spite of his faith but because of it, and who will find that faith tested as never before. A pro-life protester, disguised as a patient, who now stands in the crosshairs of the same rage she herself has felt. A young woman who has come to terminate her pregnancy. And the disturbed individual himself, vowing to be heard. Told in a daring and enthralling narrative structure that counts backward through the hours of the standoff, this is a story that traces its way back to what brought each of these very different individuals to the same place on this fateful day. One of the most fearless writers of our time, Jodi Picoult tackles a complicated issue in this gripping and nuanced novel. How do we balance the rights of pregnant women with the rights of the unborn they carry? What does it mean to be a good parent? *A Spark of Light* will inspire debate, conversation . . . and, hopefully, understanding. Praise for A

Spark of Light “This is Jodi Picoult at her best: tackling an emotional hot-button issue and putting a human face on it.”—People “Told backward and hour by hour, Jodi Picoult’s compelling narrative deftly explores controversial social issues.”—Us Weekly

If You Were Here Candlewick Press (MA)

Ship to shore! Or whatever that expression is... Yup, still here on this dumb island, and still no sign of rescue. Feels like all we've been doing is hauling firewood around and gathering food. Cleaning up an island is one thing, but this is not what I signed up for! Anyway, now we're planning a dance, if you can believe that. The sky looks a little overcast, but the dance might be fun (even though it was Evil Angela's idea). Especially since I'm trying to figure out whether Josh likes me or not. If only Kenny would stop bugging me, things might be okay. I mean, seriously, what else could go wrong?
