Hope: A Tragedy Penguin

This poignant and heartwarming story explores the many faces of sadness and addresses the importance of mental health in a child-friendly way. A small boy creates a shelter for his sadness so that he can visit it whenever he needs to, and the two of them can cry, talk, or just sit. The boy knows that one day his sadness may come out of the shelter, and together they will look out at the world and see how beautiful it is. In this timely consideration of emotional wellbeing, Anne Booth has created a beautiful depiction of allowing time and attention for difficult feelings. Stunningly atmospheric illustrations by David Litchfield personify sadness as a living being, allowing young readers to more easily connect with the story's themes of emotional literacy.

Three children from other countries (Somalia, Spain, and Korea) struggle to adjust to their new home and school in the United States.

I am Anne Frank Thomas Nelson

"One of the really remarkable books of our day"—the story of the Roman emperor on which the award-winning BBC TV series was based (The New York Times). Once a rather bookish young man with a limp and a stammer, a man who spent most of his time trying to stay away from the danger and risk of the line of ascension, Claudius seemed an unlikely candidate for emperor. Yet, on the death of Caligula, Claudius finds himself next in line for the throne, and must stay alive as well as keep control. Drawing on the histories of Plutarch, Suetonius, and Tacitus, noted historian and classicist Robert Graves tells the story of the much-maligned Emperor Claudius with both skill and compassion. Weaving important themes throughout about the nature of freedom and safety possible in a monarchy, Graves's Claudius is both more effective and more tragic than history typically remembers him. A bestselling novel and one of Graves' most successful, *I, Claudius* has been adapted to television, film,

theatre, and audio. "[A] legendary tale of Claudius . . . [A] gem of modern literature." —Publishers Weekly (starred review)

David and the Worry Beast Heinemann-Raintree Library

David escapes from the concentration camp where he has spent his entire life and flees across Europe. He is utterly alone. Who can he trust? What will await him? All the while, how can he be sure they won't catch up with him? This is the remarkable story of David's introduction to the world: sea, mountains, flowers, the colours of Italy, the taste of fruit, people laughing and smiling. David learns that his polite manner, his haunted eyes, and thin features are strange to other people. He must learn to fend for himself in this strange new world. An incredible story of self-discovery and survival against all odds for fans of *The Boy in the Striped Pyjamas* and *The Book Thief*.

The poetry and prose collected in *Plainwater* are a testament to the extraordinary imagination of Anne Carson, a writer described by Michael Ondaatje as "the most exciting poet writing in English today." Succinct and astonishingly beautiful, these pieces stretch the boundaries of language and literary form, while juxtaposing classical and modern traditions. Carson envisions a present-day interview with a seventh-century BC poet, and offers miniature lectures on topics as varied as orchids and Ovid. She imagines the muse of a fifteenth-century painter attending a phenomenology conference in Italy. She constructs verbal photographs of a series of mysterious towns, and takes us on a pilgrimage in pursuit of the elusive and intimate anthropology of water. Blending the

rhythm and vivid metaphor of poetry with the discursive nature of the essay, the writings in *Plainwater* dazzle us with their invention and enlighten us with their erudition.

Kiss the Dust by Elizabeth Laird is an unforgettable, award-winning novel of conflict, persecution and the hardships faced by refugees. Tara is an ordinary teenager. Although her country, Kurdistan, is caught up in a war, the fighting seems far away. It hasn't really touched her. Until now. The secret police are closing in. Tara and her family must flee to the mountains with only the few things they can carry. It is a hard and dangerous journey - but their struggles have only just begun. Will anywhere feel like home again?

Winner of the Hugo, Nebula, and Arthur C. Clarke Awards: This record-breaking novel follows a warship trapped in a human body on a quest for revenge. A must read for fans of Ursula K. Le Guin and James S. A. Corey. "There are few who write science fiction like Ann Leckie can. There are few who ever could." -- John Scalzi
On a remote, icy planet, the soldier known as Brek is drawing closer to completing her quest. Once, she was the Justice of Toren -- a colossal starship with an artificial intelligence linking thousands of soldiers in the service of the Radch, the empire that conquered the galaxy. Now, an act of treachery has ripped it all away, leaving her with one fragile human body, unanswered questions, and a burning desire for vengeance.

In Nazi-occupied Denmark, ten-year-old Annemarie Johansen is called upon for a selfless act of bravery to help save her best friend from a terrible fate. Winner of the Newbery Medal, newly reissued in the Essential Modern Classics range. "They plan to arrest all the Danish Jews. They plan to take them away. And we have been told that they may come tonight." It is 1943 and life in Copenhagen is becoming complicated for Annemarie. There are food shortages and curfews, and soldiers on every corner. But it is even worse for her Jewish best friend, Ellen, as the Nazis continue their brutal campaign. With Ellen's life in danger, Annemarie must summon all her courage to help stage a daring escape. Inspired

by true events of the Second World War, this gripping novel brings the past vividly to life for today's readers.

Christopher, the son of the Danish Prime Minister, is kidnapped by Mr Moller, one of his father's political opponents. When the operation is taken over by the Red Brigade, who capture Moller's son as well, the kidnapping goes badly wrong.

My Name is Anne, She Said, Anne Frank Arcadia Books

NATIONAL BESTSELLER • "How did our democracy go wrong? This extraordinary document ... is Applebaum's answer." —Timothy Snyder, author of *On Tyranny* The Pulitzer Prize-winning historian

explains, with electrifying clarity, why elites in democracies around the world are turning toward nationalism and authoritarianism. From the United States and Britain to continental Europe and beyond, liberal democracy is under siege, while authoritarianism is on the rise. In *Twilight of Democracy*, Anne Applebaum, an award-winning historian of Soviet atrocities who was one of the first American journalists to raise an alarm about antidemocratic trends in the West, explains the lure of nationalism and autocracy. In this captivating essay, she contends that political systems with radically simple beliefs are inherently appealing, especially when they benefit the loyal to the exclusion of everyone else. Elegantly written and urgently argued, *Twilight of Democracy* is a brilliant dissection of a world-shaking shift and a stirring glimpse of the road back to democratic values.

Down to the River Turtleback Books

Jacqueline van Maarsen's father was Dutch, her mother French; he was Jewish, she a Catholic. In 1938, after unremitting effort, he succeeded in registering his wife with the Jewish Council in Amsterdam. From that moment on, his two daughters were also considered to be Jews. Jacqueline was forced to go to a special school for Jewish children - it was there that she met Anne Frank and they immediately became friends. Unlike Anne Frank, Jacqueline van Maarsen escaped deportation thanks to her strong-willed mother who persuaded the German Registration Bureau to undo her listing as a Jew. She left the school a few months after Anne Frank went into hiding (or 'went to Switzerland', as Jacqueline believed). It was only after the war when Otto Frank, Anne's father, told her what had happened that she found out the truth about her best friend's fate.

Twilight of Democracy Rosetta Books

The 22nd book in the New York Times bestselling series of biographies about heroes tells the story of Anne Frank, the young

Jewish girl who documented her life while hiding from the Nazis during World War II. (Cover may vary) This engaging biography series focuses on the traits that made our heroes great--the traits that kids can aspire to in order to live heroically themselves. Each book tells the story of an icon in a lively, conversational way that works well for the youngest nonfiction readers. At the back are an excellent timeline and photos. This volume features Anne Frank, whose courage and hope during a time of terror are still an inspiration for people around the world today. While Anne and her family hid in an attic during the Holocaust, she kept a journal about all her hopes and fears and observations. That journal and the story of her life are still read and told today to remember the life of a young girl and warn against the consequences of bigotry. This friendly, fun biography series inspired the PBS Kids TV show *Xavier Riddle and the Secret Museum*. One great role model at a time, these books encourage kids to dream big. Included in each book are: • A timeline of key events in the hero's history • Photos that bring the story more fully to life • Comic-book-style illustrations that are irresistibly adorable • Childhood moments that influenced the hero • Facts that make great conversation-starters • A virtue this person embodies: Anne Frank's unwavering hope is central to this biography You'll want to collect each book in this dynamic, informative series!
