Blue Warrior Independently Published
From the acclaimed author of the Pierce Hunt series comes a thrilling novel featuring a Secret Service agent who takes on a ruthless foe to protect the country he serves and the woman he loves. Former air force combat rescue officer Special Agent Clayton White now works for the Secret Service performing routine escort missions for politicians. These missions

may not be quite as exciting as his time in the military, but Clayton's okay with that. It gives him more time to see his girlfriend, Veronica Hammond--an archaeologist who also happens to be the vice president elect's daughter. But Clayton's seemingly manageable new routine takes a startling turn when South African mercenaries target Veronica at an awards gala celebrating her work. After this attempt on Veronica's life, Clayton enters a complicated web of lies, betrayal, and dangerous government secrets. As Clayton gets closer to the truth, he encounters

unexpected foes pitted against questionable allies. With enemies at every turn, the only constant Clayton can rely on is Veronica. But when the threat against her turns on him, too, he faces an impossible choice: love or country.

Omega Independently Published
In late summer of 1994, Jack Noble, a former All-American quarterback, is in the middle of the toughest event he's ever taken part in. Marine Corps Recruit Training. After eight weeks he's managed to make enemies of every drill instructor and every recruit in his platoon. Then on

one particularly humid South Carolina day, an odd sequence of events changes everything.

The Jakarta Pandemic Candlewick Press
A heart-racing thriller from the New York Times bestselling author of *NERVE*, the book that launched the major motion picture! Aislyn suffers from crippling shyness—that is, until she’s offered a dose of Charisma, an underground gene therapy drug guaranteed to make her shine. The effects are instant. She’s charming, vivacious, and popular. But strangely, so are some other kids she knows. The media goes into a frenzy when the disease turns contagious, and then deadly, and the doctor who gave it to them disappears. Aislyn must find a way to stop it, before it's too late. Part medical thriller, part social justice commentary, *Charisma* will have readers on the edge of their seats.

The Rainy Season Grand Central Publishing

AIR RAID ON PEARL HARBOR THIS IS NOT A DRILL
Piercing sirens led to cries for help. The pungent scents of burning oil would be seared into our memories forever, and the meaning behind loss was

incomprehensible on that infamous day. Twenty-year-old Elizabeth Salzberg, a nursing student and strong-willed Jewish woman, lived under the strict guidance of her father, a naval commander of the U.S. Pacific Fleet in Oahu, Hawaii. For the five years following her mother's untimely death, Elizabeth had struggled to abide by society's expectations of a woman's duties. While spending her days preparing meals and keeping a clean house for her father and brothers, Elizabeth desired a more profound sense of worth and purpose in life. Elizabeth's dream of escaping the rigorous daily grind was drifting out to sea just before her unexpected encounter with the new handsome lieutenant on base. Everett Anderson, a former Hollywood actor who put his career on hold to serve in the Army is the talk of the town as women gossip over his arrival. Despite the attention, Everett fell for Elizabeth at first sight, but unbeknownst to him, she was the commander's daughter and off-limits to all servicemen on base. On the morning of December 7th, 1941, a forbidden romance was the least of Elizabeth and Everett's worries when they found themselves

fearing for their lives beneath the air attack that would wipe out the U.S. Fleet within hours. Elizabeth saw this pivotal moment as a turning point in her life. An opportunity to join the Army Nurse Corps was the purpose she had been seeking. She knew the country needed her services. This path was in resistance to her father's wishes and would likely disrupt any future plans between her and Everett, but despite the internal battle to make a life-altering decision, Elizabeth felt an overwhelming need to prove her strength as a coming-of-age woman at a time when equality was more important than ever. Could Elizabeth and Everett survive the bloodshed and tears of war, or would one have to come home without the other?

The Perseid Collapse EDGE Science Fiction and Fantasy Publishing, Incorporated

The dawn of an inconceivable act of treason rises. The stakes for America's future have never been higher than in a gripping novel of suspense by the Wall Street Journal bestselling author of *Deep Sleep*. When CIA officer Helen Gray died, her son, Devin, a countersurveillance

expert, inherited her paranoia--and the explosive evidence that gave it weight: a vast, previously undetected Russian sleeper network has operated in the United States since the Cold War. The cells aren't just embedded in every level of state and federal government. They've penetrated corporations that supply crucial technology to the Department of Defense and various intelligence agencies. With the network's true scope still unknown, the only way to drive a stake through the heart of the conspiracy is to dispatch a covert crew to Moscow and eliminate the oligarch bankrolling it. Russia's endgame: inconceivable. Devin's challenge: stop the greatest threat to national security and world peace in history. The margin for error: nonexistent.

Hot Zone Simon and Schuster
 With their daring escape plan thwarted at the last possible moment, a motley band of survivors faces a worst-case scenario. Forced to take refuge near the epicenter of the bioweapons outbreak, deep inside in a city gone mad, their time is running out. Unable to slow or adequately contain the infected population, the government has triggered KILL BOX, a desperate and

merciless contingency protocol, which means that the survivors have less than 24 hours.

Always Come Home to Me Createspace Independent Publishing Platform
 SOMETHING INSIDIOUS HAS ARRIVED- RIGHT IN THE HEARTLAND OF OUR NATION. Dr. Lauren Hale, a new hospital resident, is nearly killed by a raving mad emergency room patient, in a senseless, unprovoked attack. Officer David Olson, veteran cop and former Marine, returns from a father-son camping trip to discover that his ex-wife has vanished under bizarre circumstances, and his police department is on the verge of collapse. Jack and Emma Harper, a young, upwardly mobile couple, find their hip city neighborhood rapidly descending into madness. Dr. Eugene Chang, a research scientist for a major pharmaceutical company makes a shocking discovery that might explain the spreading wave of illness and violence gripping the city. Eric Larsen, leader of a top-secret, rapid-response unit, circles high above the Midwest, in an unmarked military transport. Mission still unknown, his team waits to parachute into the night. WITHIN

TWENTY-FOUR HOURS, complete strangers from different walks of life will be forced to join together to survive the LIVING NIGHTMARE that has been unleashed on their city-AND THEIR COUNTRY. This is their story. WELCOME TO THE HOT ZONE!

Last One Home Createspace Independent Publishing Platform
 Considered the best book ever written about Haiti, now updated with a New Introduction, "After the Earthquake," features first hand-reporting from Haiti weeks after the 2010 earthquake. Through a series of personal journeys, each interwoven with scenes from Haiti's extraordinary past, Amy Wilentz brings to life this turbulent and fascinating country. Opening with her arrival just days before the fall of Haiti's President-for-Life, Jean-Claude "Baby Doc" Duvalier, Wilentz captures a country electric with the expectation of change: markets that bustle by day explode with gunfire at night; outlaws control country roads; farmers struggle to survive in a barren land; and belief in voodoo and the spirits of the ancestors remains as strong as ever. The Rainy Season demystifies Haiti—a country and a people in cruel and

capricious times. From the rebel priest Father Aristide and the street boys under his protection to the military strongmen who pass through the revolving door of power into the gleaming white presidential palace—and the buzzing international press corps members who jet in for a coup and leave the minute it's over—Wilentz's Haiti haunts the imagination.

The Everything Store Penguin

From the Foreword: This volume focuses on that second and longer campaign. But rather than a narrative of the overall course of the conflict, it provides a soldier's-eye view of the war by focusing on detailed accounts of selected engagements. Each illustrates the everyday challenges that America's soldiers faced in a difficult struggle against an inventive and often elusive enemy. Weapons, doctrine, and procedures developed to fight a conventional campaign against a similar opposing force had to be adapted to fit a different type of conflict. The U.S. Army's combat and support forces brought both resourcefulness and resilience to this task while continuing to demonstrate the same courage shown by previous generations

fighting the nation's battles. These stories not only symbolize the tip of the spear formed by units in contact, but they also represent the contributions of all American men and women who have served their country in Operation Iraqi Freedom. Taken together, these accounts will provide our deploying leaders and soldiers a better understanding of the environment that they will encounter and prepare them for the work that must be done.

Managing Cover Crops Profitably (3rd Ed.) Penguin Random House South Africa
 "Special Agent Lisa Tanchik is the best at taking down cybercriminals. So when the FBI discovers a multibillion-dollar black market online, she's tasked with finding the creator and bringing him to justice. Donning one of her many digital disguises, Tanchik goes undercover into the network. Brilliant college student Nate Fallon started his site as an idealistic experiment. But his platform has made illegal trade not only more efficient--but also more dangerous. Now the FBI aren't the only ones out to get him. As profits soar, a criminal organization casts its monstrous gaze on Fallon, and danger leaps from cyberspace into reality." --

The Recruit: a Jack Noble Short Story
 Independently Published

The Wall Street Journal bestselling series. Investigating a missing persons case on Murder Mountain means looking for trouble in a propulsive thriller by the author of The Raid. When someone disappears on Northern California's lawless Murder Mountain, it isn't news. The vast terrain for illegal marijuana harvests is also a notorious black hole for outsiders. But when that someone is the family friend of the persuasive and righteous Senator Steele, finding him becomes covert investigator Ryan Decker's mission. For Decker, the risks of infiltrating a multibillion-dollar outlaw industry are greater than he could possibly understand. Especially when that industry has flourished into the profitable backbone of a secretive and influential DC-based think tank. And protecting its untraceable revenue in the Emerald Triangle is a band of ruthless white nationalists. What begins as a seemingly straightforward favor soon pulls Decker and his partner, Harlow

Mackenzie, into a high-stakes conspiracy linked to the most cold-blooded puppet masters and power brokers in the country. The harder Decker and Harlow work to expose the insidious faction, the harder it'll be to make it out of Murder Mountain alive.

Saban's Power Rangers: Aftershock

Thomas & Mercer

"Brilliant continuation of Konkoly's best work to date...this series is a thriller knockout!" The critically acclaimed saga continues in the "explosive sequel!" With Boston collapsing faster than Alex Fletcher predicted, his personal rescue mission deep into the heart of an increasingly unfamiliar city reaches a critical point. Pursued by a ruthless militia group, and forced to navigate a treacherous landscape, he runs a gauntlet of grim decisions and impossible odds to reach perceived safety. Perceived because nothing is safe in the world emerging after the "event" In rural Maine, a series of lethal coincidences fuels a local militia leader's ghastly strategy to raise a private army, planting the Fletchers firmly at the intersection of his power play--and the epicenter of his rage. The human darkness

released on August 19, 2019 continues to grow, threatening to tear the fabric of their fragile society apart...until nothing remains but a distant memory of the past. The Alex Fletcher Books (In Order): The Jakarta Pandemic, Book One The Perseid Collapse, Book Two Event Horizon, Book Three Point of Crisis, Book Four Dispatches, Book Five

White Death Department of the Army OMEGA: A Black Flagged Thriller (Book 5) A joint U.S.- Russian Special Forces raid against a hidden laboratory yields an alarming discovery. Anatoly Reznikov, the deranged bioweapons scientist stolen from U.S. custody a few years earlier, vanished minutes before the attack-taking his deadly work with him. In the United States, Beltway power brokers grapple with True America's surprise presidential win, finding the new administration to be anything but easy to work with. Karl Berg, demoted within the CIA due to the sudden shift in agency leadership, seeks to stay out of trouble, and retire quietly-a task he finds impossible when news of Reznikov's near-capture unofficially reaches his desk. Oblivious to the growing threats domestic and abroad, Daniel and Jessica Petrovich

finalize their plan to abandon the "Black Flag" business for good, only to have it delayed by close-hitting news. A last minute trip to the United States drags them closer to an unfolding plot in the heart of Washington D.C.A plot connected to everyone and everything the Petrovich's have touched. A diabolical conspiracy none of them saw coming-AND ONLY ONE GROUP CAN STOP!

A Night to Remember Thomas & Mercer ALPHA: A Black Flagged Thriller (Book One in the Black Flagged series) Daniel Petrovich, the most lethal operative created by the Department of Defense's Black Flag Program, protects a secret buried in the deepest vaults of the Pentagon. Blackmailed into executing one final mission, Daniel's carefully constructed "life" rapidly disintegrates into a relentless federal manhunt--and a "24-style" race against the clock to suppress the shocking truth about his past. To survive, he'll release the darkest side of his concealed identity. A dark side with few boundaries--and even fewer loyalties. Black Flagged lays the foundation for a gritty, high-octane series exploring the serpentine link between covert operations

and government agency politics. Fans of Ludlum and Thor alike will revel in this new Black Ops series.

The Rescue Thomas & Mercer

Kate Foster accepts a job at a remote research facility in the Arctic. Her scientific expedition becomes one of survival when something begins hunting them.

Black Nowhere Createspace Independent Publishing Platform

A USA TODAY BESTSELLING SERIES Book One: A HARD MAN TO FORGET. Former FBI agent Lauren Pauling met Jack Reacher in THE HARD WAY, the 10th Jack Reacher novel by Lee Child. Now, Pauling investigates the murder of a man with ties to Jack Reacher. She and her partner Michael Tallon quickly realize they're dealing with much more than a missing persons case, and soon they're in a deadly race to stop a terrifying act of mass murder. Book Two: THE RIGHT MAN FOR REVENGE. In this fast-paced, riveting thriller, former FBI agent and current private investigator Lauren Pauling receives a mysterious message saying Jack Reacher is dead. Soon, Pauling is on the hunt for a killer and the case quickly collides with Michael Tallon, who is looking

into the disappearance of young woman. Pauling and Tallon are thrown into a sordid world of drug traffickers and professional killers. Book Three: A MAN MADE FOR KILLING. Former FBI agent Lauren Pauling is summoned to the home of a billionaire whose daughter has died in an accident. However, he feels her death was no accident. He also claims that Jack Reacher is working on the case, and has requested Lauren Pauling's help. Pauling finds herself on a mysterious island owned by the military, trying to track down a killer, and reconnect with Jack Reacher. "Ames is a sensation among readers who love fast-paced thrillers." -MysteryTribune "Fast-paced, engaging, original." -New York Times bestselling author Thomas Perry "Engrossing!" -USA Today bestselling author Rick Murcer "Furiously paced. Great action." -New York Times bestselling author Ben Lieberman "Swept me along for the ride." -Edgar-nominated author Craig McDonald

Strategies to Improve Cardiac Arrest Survival Little, Brown

A standalone contemporary romance in the MORGAN BROTHERS SERIES from USA Today Bestselling Author Lauren Rowe.

The story of firefighter Colby Morgan that proves heroes come in many forms . . . The first time I laid eyes on Lydia Decker, I couldn't speak. Or breathe. Or string two coherent thoughts together. And I don't mean any of that figuratively. I'm not talking about a guy being floored by the sight of a gorgeous woman-although, of course, Lydia is gorgeous beyond words. No, when I first laid eyes on Lydia Decker-my physical therapist-I was lying flat on my back in the ICU, high as a kite on painkillers, breathing on a ventilator, my bones as broken and splintered as my spirit. When I first laid eyes on Lydia Decker, she was a ray of light in the dark. Hope for the hopeless. A salve for my singed and battered soul. She said she'd been assigned to fix me. That she was there to bring me back to life. She said helping me was her calling. And then she touched me. Physically, emotionally, spiritually. She healed me. And I fell in love. But what I didn't know . . . what I couldn't possibly know . . . was that Lydia Decker needed fixing far more than I ever did.

Point of Crisis Createspace Independent Publishing Platform

A Wall Street Journal bestseller. A Border Patrol murder exposes a high-level conspiracy in USA Today bestselling author Steven Konkoly's explosive thriller. After exposing and dismantling a deep-state conspiracy that nearly destroyed his life, Ryan Decker finds his covert skills have put him on the radar of influential Senator Steele. Now Steele needs his help. Two patrol agents were killed in a bizarre explosion near the US-Mexico border--and the evidence doesn't line up with the official story. Enlisted by Steele to run an undercover, off-the-books investigation, Decker and his partner, Harlow, head to the border town of Tecate. But when they're caught in an ambush, Decker realizes they've stumbled onto something far more dangerous than any of them understood. The cover-up is rooted deep in the Department of Defense itself. Fearful for their own lives and unable to trust anyone outside their small circle of skilled associates, Decker and Harlow set

in motion a risky plan to stop a criminal conspiracy.

Charisma Penguin

"Lupton enters the highly charged ring where the best psychological detective writers spar... Like Kate Atkinson, Patricia Highsmith and Ruth Rendell... Both tear-jerking and spine-tingling, *Sister* provides an adrenaline rush that could cause a chill on the sunniest afternoon." —The New York Times Book Review When her mom calls to tell her that Tess, her younger sister, is missing, Bee returns home to London on the first flight. She expects to find Tess and give her the usual lecture, the bossy big sister scolding her flighty baby sister for taking off without letting anyone know her plans. Tess has always been a free spirit, an artist who takes risks, while conservative Bee couldn't be more different. Bee is used to watching out for her wayward sibling and is fiercely protective of Tess (and has always been a little stern about her antics). But then Tess is found dead, apparently by her own

hand. Bee is certain that Tess didn't commit suicide. Their family and the police accept the sad reality, but Bee feels sure that Tess has been murdered. Single-minded in her search for a killer, Bee moves into Tess's apartment and throws herself headlong into her sister's life--and all its secrets. Though her family and the police see a grieving sister in denial, unwilling to accept the facts, Bee uncovers the affair Tess was having with a married man and the pregnancy that resulted, and her difficulty with a stalker who may have crossed the line when Tess refused his advances. Tess was also participating in an experimental medical trial that might have gone very wrong. As a determined Bee gives her statement to the lead investigator, her story reveals a predator who got away with murder--and an obsession that may cost Bee her own life. A thrilling story of fierce love between siblings, *Sister* is a suspenseful and accomplished debut with a stunning twist.
