Yale University Press  
In *Seeking Allah, Finding Jesus*, now expanded with bonus content, Nabeel Qureshi describes his dramatic journey from Islam to Christianity, complete with friendships, investigations, and supernatural dreams along the way. Providing an intimate window into a loving Muslim home, Qureshi shares how he developed a passion for Islam before discovering, almost against his will, evidence that Jesus rose from the dead and claimed to be God. Unable to deny the arguments but not wanting to deny his family, Qureshi struggled with an inner turmoil that will challenge Christians, Muslims, and all those who are interested in the world's greatest religions. Engaging and thought-provoking, *Seeking Allah, Finding Jesus* tells a powerful story of the clash between Islam and Christianity in one man's heart—and of the peace he eventually found in Jesus. "I have seldom seen such

genuine intellect combined with passion to match ... truly a 'must-read' book."—Ravi Zacharias

"While the Hebrew Bible and the New Testament are understood to be related texts, the sacred scripture of Islam, the third Abrahamic faith, has generally been considered separately. Noted religious scholar Gabriel Said Reynolds draws on centuries of Qur'anic and Biblical studies to offer rigorous and revelatory commentary on how these holy books are intrinsically connected."--

"Accessible and readable. Spotlights an important theological theme in a way that both illuminates its internal development in Islamic thought and presents it as a helpful basis for interreligious discussion. The topic is very much in need of

teaching and discussion and is a fine example of 'common ground.'"—John Renard, author of *Islam and Christianity* "Contains valuable and fascinating material about how classical Muslim theologians treated various aspects of Jesus and, in particular, the role of Jesus in Islamic eschatology. Saritoprak brings new insights from contemporary Turkish thinkers to bear on the issues raised by the Jesus figure in Islamic narratives about the Last Days."—Marcia Hermansen, author of *Shah Wali Allah's Treatises on Islamic Law* "A refreshingly easy read that makes a complex world of theology and interfaith relations accessible and enjoyable for readers of all backgrounds."—Jonathan Brown, author of *Hadith: Muhammad's Legacy in the Medieval and Modern World* Few people realize that Jesus was a prominent messenger of God in Islam and that Muslims believe in the return of Jesus. Even among Muslims, it is not well known that there are diverse interpretations of references to Jesus in the Qur'an and the Hadith. Aiming to remedy this, *Islam's Jesus* takes a bold

yet candid look at the highly charged topic of Jesus's place in Islam, exploring some of the religion's least understood aspects. Examining multiple intellectual traditions, Zeki Saritoprak makes clear the reality of pluralism in the history of Islamic religious scholarship. Actively engaged in efforts to promote interfaith dialogue and harmony, Saritoprak thoughtfully argues that the shared belief in Jesus presents an excellent opportunity for understanding between Muslims and Christians. Together, they constitute more than half of the world's population, and such understanding may be a foundation for peace.

The Qur'an identifies Jesus as a sign of God, and he holds a place as one of the most important prophets in Islam. Looking at Jesus in Islam also reveals both deep differences from and rich connections to the view of Jesus in Christianity. In *The Other Prophet*, Mouhanad Khorchide and Klaus von Stosch explore and explain the position of the Qur'anic Jesus, with

one scholar working from the Muslim and the other from the Christian theological perspective. Their combined research presents a history of Jesus' presence in the Qur'an and provides astute observations to deepen the understanding of both Christians and Muslims. Here we find that a common view of Jesus from the Muslim and Christian sides is not only possible, but also expands our understanding of Jesus and his message. Jesus and the Qur'an Brazos Press

Who Is the Jesus of Islam? Jesus is revered in the Islamic faith—but is he the same Jesus Christians claim as their Savior? James K. Walker, president of Watchman Fellowship, takes you through more than a dozen major similarities and differences between the Jesus of the Bible and the Jesus of the Qur'an. ### **Jesus, Prophet of Islam**

AuthorHouse

By God's grace, Islam is the fastest growing religion in our time, as confirmed by a study undertaken by the Pew Research Center, and our motive is to make this great divine faith known to all people. This book, *Jesus in the Qur'an*, speaks first about people's need to receive the divine message through prophets. They need this as much as they need food and drink to survive, if not more. God's messengers and prophets were assigned the task of giving people the right concept of God, their Creator, and explaining to them how to earn His pleasure and acceptance, and how to avoid incurring His anger. They

put all this into practice so that their teachings would serve as a code by which to live, setting human life on the right course and ensuring their happiness in the life to come. The author relates the story of Jesus, son of Mary (peace be upon him), starting at a point well before his birth, when his virtuous mother was pregnant. He then reports the circumstances of his birth and speaks about Jesus's message and the opposition he had to endure. The author then discusses the Qur'anic account of Jesus, which makes clear that he enjoys a very high position with God Almighty. We hope that readers will find this book useful in adding to their knowledge and understanding of Islam. *The Origins of the Koran* Kregel Publications

 When Reza Aslan's bestseller *Zealot* came out in 2013, there was criticism that he hadn't addressed his Muslim faith while writing the origin story of Christianity. In fact, Ross Douthat of The New York Times wrote that "if Aslan had actually written in defense

of the Islamic view of Jesus, that would have been something provocative and new." Mustafa Akyol's *The Islamic Jesus* is that book. The Islamic Jesus reveals startling new truths about Islam in the context of the first Muslims and the early origins of Christianity. Muslims and the first Christians—the Jewish followers of Jesus—saw Jesus as not divine but rather as a prophet and human Messiah and that salvation comes from faith and good works, not merely as faith, as Christians would later emphasize. What Akyol seeks to reveal are how these core beliefs of Jewish Christianity, which got lost in history as a heresy, emerged in a new religion born in 7th Arabia: Islam. Akyol exposes this extraordinary historical connection between Judaism, Jewish Christianity and Islam—a major mystery unexplored by academia. From Jesus' Jewish followers to the Nazarenes and Ebionites to the Qu'ran's stories of Mary and Jesus, *The Islamic Jesus* will reveal links between religions that seem so contrary today. It will also call on Muslims to discover their own Jesus, at a time when

they are troubled by their own Pharisees and Zealots.

First published in 1977, Muhammad 'Ata ur-Rahim's classic text examines Jesus as a prophet teaching the Unity of God, and the historical collapse of Christianity as it abandoned his teaching. Now revised by coauthor Ahmad Thomson, the book sketches the dramatic picture of the original followers of Jesus who affirmed Unity, showing how Christianity became the fiction that replaced their truth. A wide-ranging study that covers the Gospel of Barnabas, the Gospel of Hermes, the shepherd, early and later Unitarian Christians, and Jesus in the gospels and in the Qur'an and hadith, Jesus: Prophet of Islam argues persuasively that the idea of Jesus as part of a trinity was a Greek pagan concept adopted by early Christian missionaries to gain converts among the Greeks, and did not become a widely accepted Christian doctrine until after the Council of Nicea in 325 A.D.

Discover how the Quran promotes Jesus by putting him above all. I was a Muslim, but now I worship Jesus Christ and I am saved since then from all my sins by his blood. Believe in the profoundly simple Gospels, which is 1 John 3:23: "This is God's command: to believe in the name of his Son, Jesus Christ, and to love one another." is verse is a salvation sermon with just two points: believe in Christ, and love others as you love yourself.

Mehammed, head of Islamic Studies, Ethiopian Theological College, Addis Ababa In his book *The Islamic Jesus*, Mustafa Akyol claims that Muslims may hail Jesus as the Messiah and the Word of God – but is that really the case? And how should Christians respond when they do? In this sensitive and nuanced exploration of Muslim beliefs about Jesus, Richard Shumack calls for Muslims and Christians to embrace constructive disagreement as the best way to both religious peace and eternal truth. For although Muslims and Christians both love Jesus, the Jesus of Islam points down a different road to that of Christianity. The Muslim Jesus wants you to be a better person by walking a road of passionate devotion to God; the Christian Jesus wants you to be a whole new person by joining him on a road to crucifixion and resurrection. Jesus Son of Mary in the Qur'ān and According to the Teachings of Ibn 'Arabī Baker Books  
 This work presents in English translation the largest collection ever assembled of the sayings and stories of Jesus in Arabic Islamic literature. In doing so, it traces a tradition of love and reverence for Jesus that has characterized Islamic thought for more than a thousand years. An invaluable resource for the history of religions, the collection documents how one culture, that of Islam, assimilated the towering religious figure of another, that of Christianity. As such, it is a work of great significance for the understanding of both, and of profound implications for modern-day intersectorian relations and ecumenical dialogue. Tarif Khalidi's introduction and commentaries place the sayings and stories in their historical context, showing how and why this "gospel" arose and the function it served within Muslim devotion. The Jesus that emerges here is a compelling figure of deep and life-giving spirituality. The sayings and stories, some 300 in

number and arranged in chronological order, show us how the image of this Jesus evolved throughout a millennium of Islamic history.

In this book the Promised Messiah, on whom peace, discusses the philosophy of divine revelation, the three categories of people who claim to receive revelation, and the distinction of the truthful from the false. He then establishes his truthfulness by documenting over 200 Signs, including the fulfillment of prophecies made by the Holy Prophet Muhammad, may peace and blessings of Allah be upon him, other men of God, earlier scriptures, and his own revelations spanning over twenty-five years. The author cites numerous examples of his enemies who publicly predicted his downfall and demise, only to become the very victims of their own prophecies. God, however, protected him against every assault, while continuously reassuring him of His promise to bless his Community—a promise which continues to bear the seal and testimony of

history. The author also appeals to the followers of different faiths to read this book cover to cover

to appreciate and accept this evidence as proof that God is One and the Holy Prophet Muhammad is the Messenger of God,

and that he is the Promised Messiah raised to unite humanity under the banner of Islam.
