Hey guys I'm back with yet another customized recipe book, and again I would like to Congratulate and THANK YOU for taking the time out to pick up another one of my book series! YOU'RE THE #1 REASON I WRITE THESE BOOKS!!! I LOVE it when you guys REQUEST certain recipes that you want me to write for you. I also write these recipes on a personal note as well. I, for one was one of those that bought multiple recipe books that I thought would have just what I was looking for

inside! Sadly to say... that NONE of them was exactly what I was looking for. I wanted recipe books that had recipes and recipes only inside, not all that other mumble jumble stuff that had nothing to do with the recipes. I also wanted one particular meat or food recipe book which contained multiple recipes about a particular dish or meat I wanted to cook that were QUICK, EASY, and not so TIME CONSUMING! This is when I came up with the splendid idea of writing recipes that included

multiple recipes for that (1) particular dish, meal, desserts, salads or meats that you could EAT WHATEVER YOU WANT AND STILL SHREED TUMMY FAT! I have compiled another 30 Quick & EASY Affordable Recipes for you that include some of the BEST and CHEAPEST Turkey recipes around! I'm so grateful that you keep coming back for the same reason.....THE RECIPES To Lose Tummy FAT While EATING!!!! HAPPY EATING!

For thousands of years, the eastern Mediterranean has stood as a meeting point between East and West, bringing cultures

and cuisines through trade, commerce, and migration. Traveling by boat and land, Yasmin Khan traces the ingredients that have spread through the region from the time of Ottoman rule to the influence of recent refugee communities. At the kitchen table, she explores what borders, identity, and migration mean in an interconnected world, and her recipes unite around thickets of dill and bunches of oregano, zesty citrus and sweet dates,

thick tahini and soothing cardamom. Khan includes healthy, seasonal, vegetable-focused recipes, such as hot yogurt soups, zucchini and feta fritters, pomegranate and sumac chicken, and candied pumpkin with tahini and date syrup. Fully accessible for the home cook, with stunning food and location photography, *Ripe Figs* is a dazzling collection of recipes and stories that celebrate an ever-diversifying region and imagine a world without borders.
