Newly revised and updated, the definitive guide to planning a Jewish wedding, written by bestselling novelist Anita Diamant—author of *The Red Tent* and *The Boston Girl*—and one of the most respected writers of guides to contemporary Jewish life. This complete, easy-to-use guide explains everything you need to know to plan your own Jewish wedding in today's ever-changing world where the very definition of what constitutes a Jewish wedding is up for discussion. With enthusiasm and flair, Anita Diamant provides choices for every stage of a wedding—including celebrations before and after the ceremony itself—providing both traditional and contemporary options. She explains the Jewish tradition of love and marriage with references drawn from Biblical, Talmudic, and mystical texts and stories. She guides you step by step through planning the ceremony and the party that follows—from finding a rabbi and wording the invitation to organizing a processional and hiring a caterer. Samples of wedding invitations and ketubot (marriage contracts) are provided for inspiration and guidance, as well as poems that can be incorporated into the wedding ceremony or party and a variety of translations of traditional texts. “There is no such thing as a generic Jewish wedding,” writes Anita Diamant, “no matter what the rabbi tells you, no matter what the caterer tells

you, no matter what your mother tells you.” Complete, authoritative, and indispensable, *The Jewish Wedding Now* provides personalized options—some new, some old—to create a wedding that combines spiritual meaning and joyous celebration and reflects your individual values and beliefs.

SHE IS A FASHION ICON WITH A LUST FOR FAME. HE IS POSSIBLY THE MOST FAMOUS ATHLETE ON THE PLANET.

Together they are one of the most loved -- and hated -- pairs on Earth. This sensational, highly addictive biography delves beneath the Beckhams' glossy, glamorous facade to expose the real Posh and Becks behind the headlines and the hype. Celebrity biographer Andrew Morton, hailed for his insightful, in-depth coverage of luminaries such as Princess Diana and Madonna, explores in detail how David and Victoria Beckham followed their passions -- football and fame -- to become two of the most recognizable people in the world. From their individual childhood stories of relentlessly pursuing their dreams to achieving fame together on an international level, Posh and Becks have

earned their unofficial titles as the "King and Queen of Popular Culture," and they never disappoint their fans -- or the tabloids -- when it comes to making news. Their whirlwind courtship, "royal" wedding, alleged affairs, and family struggles have been lived out under the glare of flashbulbs, which they seem to simultaneously court and shun as they attempt to balance their personal lives with their public personas. With up-to-date coverage and commentary on all things Beckham, including David's disappointing stint at Real Madrid and the family's relocation to Los Angeles, *Posh & Becks* lays bare the truth behind the tabloids on this fascinating couple.

Skateboarding enables a rare few individuals to live a carefree life, traveling the globe for free while less fortunate others have no other option than to jump through the hoops of everyday living. *I'll Kick You In The Head With My Energy Legs* depicts the coming

of age, travels and traits of a group of skateboarders from London, who managed to escape the grips of a nine-to-five. Shot over a period of three years by London born photographer and skateboarder Jonnie Craig who rose to light at the age of 18 after having been picked up by Vice Magazine. "Raymond Meeks is renowned for his use of photography and the book form to poetically distill the liminal junctures of vision, consciousness and comprehension. In 'ciprian honey cathedral', he brings this scrutiny close to home, delicately probing at the legibility of our material surroundings and the people closest to us. Meeks has long been fascinated by the way we construct the world around us; how we carry our possessions, these accumulated comforts, inheritances, markers of material success; how we adorn homes with trees and shrubs, a mantle clock to count the hours. Stumbling across an abandoned house or unkempt lawn becomes a search for common clues to tiny hidden

transgressions. This question of knowledge and understanding is perhaps most drastic in our solipsistic reality. Meeks also photographed his partner, Adrianna Ault, in the early mornings before she awoke, on the threshold at which daily domestic life converges with the deepest state of sleep. This plight of supine trance is a place of reprieve beneath the surface of consciousness, free from the chaos and uncertainty of the sentient world above, and alludes to the veiled threat that, ultimately, we are utterly unknowable to one another."--

The Close (Maeve Kerrigan, Book 10) Blake Publishing

In a continuation of Dave Jordano's critically-acclaimed *Detroit: Unbroken Down* (powerHouse Books, 2015), which documented the lives of residents, *Detroit Nocturne* is an artist's book not of people this time, but instead the places within which they live and work: structures, dwellings, and storefronts. Made at night, these photographs speak to the quiet resolve of Detroit's neighborhoods and its stewards: independent shop proprietors and home owners who have survived the long and difficult path of living in a post-industrial city stripped of economic prosperity and opportunity. In many rust-belt cities like Detroit, people's lives often hang in the balance as neighborhoods support and provide for each other through job creation, ad-hoc community involvement, moral and spiritual support, and a well-honed Do-It-Yourself attitude. With all the media attention about Detroit's rebirth and revival, it is important to note that many neighborhoods throughout the city have managed to survive against the odds for years, relying on local merchants and businesses that operate on a cash only basis who have stuck it out through decades of economic decline. Determination and a strong sense of self-preservation: Detroit's citizens manage to survive by maintaining a healthy sense of connection without the fear of giving up. All of these places of business and residences, whether large or small, are in many ways symbols representing the ongoing story that is Detroit, and a testament to the tenacity

of those who are trying desperately to hold on to what is left of the social and economic fabric of the city. These photographs speak to that truth without casting an overly sentimental gaze. These nocturnal images offer a chance to view the locations in an unfamiliar light, and offer a moment of quiet and calm reflection.
