### *Mahabharat's Stories*

State University of New York Press

"About the book In 2014 Karishma Mehta started Humans of Bombay to capture the untold stories of the millions of people living in the maximum city. This book entails a handpicked collection of some of the best stories on the Humans of Bombay Facebook blog as well as several unseen stories. Funny insightful quirky and intimate these stories are sure to make your heart melt."--Provided by publisher.

### *Bodies of Song* Brookings Institution Press

On 20 November 2009, the global community celebrates the 20th anniversary of the adoption by the United Nations General Assembly of the Convention on the Rights of the Child, the unique document that sets international standards for the care, treatment and protection of all individuals below age 18. To celebrate this landmark, the United Nations Children's Fund is dedicating a special edition of its flagship report *The State of the World's Children* to examining the Convention's evolution,

progress achieved on child rights, challenges remaining, and actions to be taken to ensure that its promise becomes a reality for all children.

### *The Shade of Cocoa* Oxford University Press

Songs of Kabir Rabindranath Tagore - Kabir lived in the 15th Century (1440-1518); born to Mohammadan parents; he came under the influence of the famous Hindu saint; Sri Ramananda and delved deep into the mysteries of Hindu mysticism. A true worshipper of God; he emphasized the purity of mind and selfless devotion to God. He openly opposed the weaknesses of both Hinduism and Islam. During his life time he composed many poems. They are usually two line couplets; known as dohas; recited by many scholars even today to denote some deep philosophical truths. All these songs of Kabir were translated into English by none other than Rabindranath Tagore; the

mystic poet and the Noble Laureate; the first edition; published by The Macmillan Company; 1915; New York. This book shall prove to be an asset for the Kabir lovers who can't enjoy his writings in Hindi.

### *Mean Girls* HTJB, Inc.

Abstract: This reference book covers the technological advances made in herbicide application methods in a system that stresses the equal importance of herbicide chemical and physical properties, plant morphology, pesticide application accuracy and pesticide distribution. Chapters specifically focus on spray application, aerial application, chemigation, electrostatic enhancement, controlled release materials, pre- and postemergence treatment and injection. Safety and environmental issues are discussed.

### **Lesbian Teachers**

How do gay and lesbian teachers negotiate their professional and sexual identities at work, given that these identities are constructed as mutually exclusive, even as mutually opposed? Using interviews and other ethnographic materials from Texas and California,

School's Out explores how teachers struggle to create a classroom persona that balances who they are and what's expected of them in a climate of pervasive homophobia. Catherine Connell's examination of the tension between the rhetoric of gay pride and the professional ethic of discretion insightfully connects and considers complicating factors, from local law and politics to gender privilege. She also describes how racialized discourses of homophobia thwart challenges to sexual injustices in schools. Written with ethnographic verve, *School's Out* is essential reading for specialists and students of queer studies, gender studies, and educational politics.

*Women in Pakistan*  
Hemkunt Press

Kabir was a great iconoclastic-mystic poet of fifteenth-century North India; his poems were composed orally, written down by others in manuscripts and books, and transmitted through song. Scholars and translators usually attend to written collections, but these present only a partial picture of the Kabir who has remained vibrantly alive through the centuries mostly in oral

forms. Entering the worlds of singers and listeners in rural Madhya Pradesh, *Bodies of Song* combines ethnographic and textual study in exploring how oral transmission and performance shape the content and interpretation of vernacular poetry in North India. The book investigates textual scholars' study of oral-performative traditions in a milieu where texts move simultaneously via oral, written, audio/video-recorded, and electronic pathways. As texts and performances are always socially embedded, Linda Hess brings readers into the lives of those who sing, hear, celebrate, revere, and dispute about Kabir. *Bodies of Song* is rich in stories of individuals and families, villages and towns, religious and secular organizations, castes and communities. Dialogue between religious/spiritual Kabir and social/political Kabir is a continuous theme throughout the book: ambiguously located between Hindu and Muslim cultures, Kabir rejected religious identities, pretensions, and hypocrisies. But even while satirizing the religious, he composed stunning poetry of religious experience and

psychological insight. A weaver by trade, Kabir also criticized caste and other inequalities and today serves as an icon for Dalits and all who strive to remove caste prejudice and oppression.

*Songs of Kabir*  
HarperCollins

Hard-headed evidence on why the returns from investing in girls are so high that no nation or family can afford not to educate their girls. Gene Sperling, author of the seminal 2004 report published by the Council on Foreign Relations, and Rebecca Winthrop, director of the Center for Universal Education, have written this definitive book on the importance of girls' education. As Malala Yousafzai expresses in her foreword, the idea that any child could be denied an education due to poverty, custom, the law, or terrorist threats is just wrong and unimaginable. More than 1,000 studies have provided evidence that high-quality girls' education around the world leads to wide-ranging returns: Better outcomes in economic areas of growth and incomes Reduced rates of infant and maternal mortality Reduced rates of child marriage Reduced rates of the incidence of

HIV/AIDS and malaria  
Increased agricultural  
productivity Increased  
resilience to natural  
disasters Women's  
empowerment What  
Works in Girls' Education  
is a compelling work for  
both concerned global  
citizens, and any  
academic, expert,  
nongovernmental  
organization (NGO) staff  
member, policymaker, or  
journalist seeking to dive  
into the evidence and  
policies on girls'  
education.

*Global and Regional  
Estimates of Violence  
Against Women* Univ of  
California Press

Imagine a land where all  
the animals are free . . .  
To the creatures of the  
woodland, the land of  
Animalia sounds like a  
dream - a tropical island  
where all the animals live  
in harmony. They are  
over-shadowed by a much  
more evil community; the  
polluted Megatropolis,  
whose dirty skyscrapers  
block the horizon. And  
then one day, Wirral the  
Squirrel's woodland is  
destroyed by developers  
and he is thrown into the  
nightmare world of  
Megatropolis. But Wirral  
believes in Animalia and  
he joins with Froggo, a  
world-class amphibian  
balloonist, and Wilhamina,  
a girl squirrel, to lead the

enslaved animals of the  
city to a new life. So  
begins an exciting  
adventure through the  
mean streets of  
Megatropolis, over the sea  
and through the sky.  
Developed out of an  
exceptional fusion of  
creative talents, this story  
explodes onto every page.  
The plot is fast, furious  
and funny; the  
illustrations are full of rich  
depth and colour; and the  
characters live on long  
after you have turned the  
final page. It will delight  
children of all ages and is  
sure to become an  
enduring classic. 'Young  
audiences will delight in  
the clever wordplay and  
smartly-drawn comic  
characters.' Independent

Shri Mataji writes that  
"India is a very ancient  
country and it has been  
blessed by many seers  
and saints who wrote  
treatises about reality and

guidelines on how to achieve it.” This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children.

“The knowledge of Sahaja Yoga cannot be described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form.”

It’s the nineties and in Lagos, Nigeria, the “Nollywood” film industry is exploding. Ayamma dreams of leaving her job at her parents’ travel agency and becoming a star. When she auditions for a new film by Nigeria’s hottest director, tension flares with his former leading lady—as sparks fly with Nollywood’s biggest heartthrob  
[The Criminal Justice and Community Response to Rape](#) Phoemixx Classics Ebooks

Though Pakistan has made progress toward achieving its education,

gender equity, and health Millennium Goals, it is unlikely to reach 2015 targets. In general, achievements were lower in rural areas and in lower-income households. Pakistani girls still have lower enrollment in primary and secondary schools, and do not perform as well as boys on tests. Adult female literacy varies widely by province. Women continue to face many forms of gender-based violence, and often are restricted from leaving their homes. While employment rates among women have doubled in the last decade, women are more likely to be unemployed than men, and lack access to finance or assets.

[1232 km](#) World Health Organization  
 NEW YORK TIMES BESTSELLER Now in paperback—Peggy Orenstein, author of the groundbreaking New York Times bestseller *Girls & Sex*, turns her focus to the sexual lives of young men. “Eye-opening.... Every few pages, the boy world cracks open a little bit.... Even in the most anxiety-provoking moments of *Boys & Sex*, it’s clear that Orenstein believes in the goodness of boys and the men they

can become, and she believes in us, as parents, to raise them” (New York Times Book Review). Peggy Orenstein’s *Girls & Sex* broke ground, shattered taboos, and launched conversations about young women’s right to pleasure and agency in sexual encounters. It also had an unexpected effect on its author: Orenstein realized that talking about girls is only half the conversation. Boys are subject to the same cultural forces as girls—steeped in the same distorted media images and binary stereotypes of female sexiness and toxic masculinity—which equally affect how they navigate sexual and emotional relationships. In *Boys & Sex*, Peggy Orenstein dives back into the lives of young people to once again give voice to the unspoken, revealing how young men understand and negotiate the new rules of physical and emotional intimacy. Drawing on comprehensive interviews with young men, psychologists, academics, and experts in the field, *Boys & Sex* dissects so-called locker room talk; how the word “hilarious” robs boys of empathy; pornography as the new

sex education; boys' understanding of hookup culture and consent; and their experience as both victims and perpetrators of sexual violence. By surfacing young men's experience in all its complexity, Orenstein is able to unravel the hidden truths, hard lessons, and important realities of young male sexuality in today's world. The result is a provocative and paradigm-shifting work that offers a much-needed vision of how boys can truly move forward as better men.

**A Dictionary,  
Hindūstānī and English**  
HarperCollins

Despite recent advances in important aspects of the lives of girls and women, pervasive challenges remain. These challenges reflect widespread deprivations and constraints and include epidemic levels of gender-based violence and discriminatory laws and norms that prevent women from owning property, being educated, and making meaningful decisions about their own lives--such as whether and when to marry or have children. These often violate their most basic rights and are magnified and multiplied by poverty and lack of education.

This groundbreaking book distills vast data and hundreds of studies to shed new light on deprivations and constraints facing the voice and agency of women and girls worldwide, and on the associated costs for individuals, families, communities, and global development. The volume presents major new findings about the patterns of constraints and overlapping deprivations and focuses on several areas key to women's empowerment: freedom from violence, sexual and reproductive health and rights, ownership of land and housing, and voice and collective action. It highlights promising reforms and interventions from around the world and lays out an urgent agenda for governments, civil society, development agencies, and other stakeholders, including a call for greater investment in data and knowledge to benchmark progress.

Herbicides** UNICEF  
“(This) was seriously one of the HOTTEST books I've ever read!” —Emma Chase, NY Times bestselling author of *Royally Screwed* "Hot,

emotional and fun, this sex machine of a man has a huge...HEART!" - Lauren Blakely, NY Times bestselling author of *WELL HUNG* "Sex Machine totally got my motor running. Marie Force just delivered one smoking hot romance." —Sawyer Bennett, New York Times bestselling author *SEX MACHINE* He's good for one thing and one thing only—and she wants it bad. Honey Carmichael has never had a decent orgasm, and she's out to change that with the one man in town known for his superior skill between the sheets. Blake Dempsey is happy to help Honey with her "problem" as long as she knows he's only interested in sex. His heart was broken when his high school girlfriend was killed in the car he was driving, and he has nothing to offer other than more orgasms than Honey can handle. Which is just fine with her—until fantastic orgasms aren't enough anymore for either of them and unexpected feelings turn hot sex into messy entanglement—and that most definitely wasn't in the plans. But you know what they say about plans... A sexy, dirty standalone romance intended for *MATURE*

audiences. If you can't take the heat in Blake's bedroom, stay out or you might get burned. You've been warned!
