Gallerist Tim Hart has recently faced the sudden death of his long-term partner—with uneven success. Sure, he can keep his gallery running and keep his dog cared for. But what about the possibility of a bright future which includes new love? Tim is not so willing to consider that—until he realizes that the hot young guy who has been working for him may be the one to help him find healing. Now that his employer is suddenly single, Seth Greenly realizes that he has loved Tim—quietly—for nearly a year. Watching the two of them try to move their

relationship from business-like to one-to-one is part of the fun of *GIVING THANKS*, Book Four of Bruce K Beck's Holiday Novella Series. The rest of the fun is in reconnecting with all the delicious characters from the previous books.

Everyone readers fell in love with in *A BUCKSKIN CHRISTMAS*, *MY EASTER MIRACLE*, and *INDEPENDENCE DAZE* joins Tim and Seth's story to give it context, complexity, and richness. And there are a few new characters who lend new spice. By the time they meet for Thanksgiving dinner at the Blackwell's country house in New Jersey, there is gratitude flowing all around.

The idea was deceptively simple: New York Times bestselling author A.J. Jacobs decided to thank every single person involved in producing his morning cup of coffee. The resulting journey takes him across the globe, transforms his life, and reveals secrets about how gratitude can make us all happier, more generous, and more connected. Author A.J. Jacobs discovers that his coffee—and every other item in our lives—would not be possible without hundreds of people we usually take for granted: farmers, chemists, artists, presidents, truckers, mechanics, biologists, miners, smugglers, and goatherds. By thanking these people face to face, Jacobs finds some much-needed brightness in his life. Gratitude does not come naturally to Jacobs—his disposition is more Larry David than Tom Hanks—but he sets off on the journey on a dare from his son. And by the end, it's clear to him that scientific research on gratitude is true.

Gratitude's benefits are legion: It improves compassion, heals your body, and helps battle depression. Jacobs gleans wisdom from vivid characters all over the globe, including the Minnesota miners who extract the iron that makes the steel used in coffee roasters, to the Madison Avenue marketers who captured his wandering attention for a moment, to the farmers in Colombia. Along the way, Jacobs provides wonderful insights and useful tips, from how to focus on the hundreds of things that go right every day instead of the few that go wrong. And how our culture overemphasizes the individual over the team. And how to practice the art of "savoring meditation" and fall asleep at night. *Thanks a Thousand* is a reminder of the amazing interconnectedness of our world. It shows us how much we take for granted. It teaches us how gratitude can make our lives happier, kinder, and more impactful. And it will inspire us to follow our own "Gratitude Trails."

Trade Grumbling for

Gratitude—Experience God like Never Before The apostle Paul instructed the Philippians to be anxious in nothing and thankful in everything. And when he said everything—he meant everything. We can all agree that this is easier said than done. Disappointments and discontent may cause you to slip into dissatisfaction, and grumbling becomes a state of mind—gratitude seems impossible to find. However, what if this is the precise reason you lack the joy of a God-filled life? Instead of a reaction to when things are going well, what if gratitude is actually necessary to knowing the hope of our gracious God? This is exactly what Pastor Dustin Crowe identifies in *The Grumbler's Guide to Giving Thanks*. Dustin examines the biblical foundations of thankfulness and traces how it can reshape every-day Christian living. When we express gratitude in all things, we not only praise

our Creator, we also get to know Him better. With *The Grumbler's Guide*, you'll learn how to practice thanksgiving in both simple and extraordinary ways, even when you're tempted to dwell on the negative. You'll find your outlook on life realigned to see the hand of God in everything, strengthening your trust in Him. And in doing so, you'll find greater, more joy-filled reasons to continue expressing thanks to our good and generous God.

To: Ross From: Trista Re: Soul mates You and Kelly share something special. I'd like to find my soul mate, too. Starting over in Chestnut Grove with an infant was such a major life change. At first, I wasn't sure if I was ready to move on, but it was time to stop dwelling on the past, so I took Kelly's advice and registered with a singles' Web site. I met the nicest e-mail buddy, but I also like your new assistant pastor, Scott Crosby. So, big brother, maybe this Thanksgiving we can all give thanks for our blessings-large and small.
