Business Result Second Edition offers business professionals more communication and language practice than ever before, so they develop business English skills to use immediately. Relevant, personalized practice for people at work With Business Result Second Edition, students practise language that is relevant to their work context, so they can use what they learn in real work situations. NEW Talking Point discussion lessons are based on an interesting business concept, process or approach that is relatable for any student in any business profession. The personalized Talking Point tasks allow students to apply the concept to their own working contexts, and provide the opportunity to use language from the unit. NEW Viewpoints integrate video into the lesson to bring business English to life - and build communication skills for business. Each video lesson relates to content in the units and builds up to a communicative task. NEW Language Points provide explicit focus on the meaning and form of the target language applied in a business context. EXTENDED Practically Speaking sections help students put language to use immediately. In every unit, Practically Speaking relates clearly to the unit content, and includes input, analysis and practice. Easily adapt Business Result Second Edition to fit your teaching context The IMPROVED modular structure of Business Result Second Edition means it can be easily adapted to fit your teaching context. Each section within a unit works in a modular way- they can be completed as standalone activities according to your needs. You can choose lessons that are most relevant for your students. The Teacher's Book provides support for using the course flexibly in 1 to 1 lessons and with pre-work students. For those working through the book in order, continuity is maintained throughout the book to provide natural progression. Enrich your lessons with ready-to-go resources to pick up and teach in class NEW photocopiable worksheets for each unit provide more practice for the main sections of each unit: Working with Words, Language at Work and Business Communication. NEW online resources for teachers include Viewpoint video files to stream or download, audio files to stream or download, sample emails for each unit, downloadable business cards, and progress tests. Help students advance their career through progress tracking and assessment support Clear Outcomes - 'you can' statements help students monitor their own progress, and downloadable progress tests enable you to track students' progress in language skills and speaking skills. NEW Online Practice provides extra interactive practice activities with instant feedback on answers and automatic grading, allowing students to independently review their learning. Online Practice allows you to easily track and report on your students' progress, keeping you up-to-date with your students' learning. Downloadable progress tests for every unit enable you to assess students' progress, and identify student weaknesses and strengths.

The Business Pre-Intermediate. Teacher's Book Penerbit Andi

BUSINESS FOCUS PRELIMINARY incorporates the best practices in teaching and learning in a new series that reflects the revised Business Studies syllabus (2010). The Business Focus author team has a wealth of experience in teaching, curriculum and research. This text reflects the best practice in teaching business studies to NSW students as well as closely being aligned to the syllabus. The student books are full colour, written in a student-friendly manner, with the most up-to-date information available. Case studies throughout the book help students to understand the content they are learning, while a major case study for each chapter contextualises the chapter and assists students with preparing for assessment and exams. Unit reviews enable students to revise, consolidate, research and explore Business Studies material. The chapter review is set out in the style of an HSC exam, helping students to familiarise themselves with and prepare for the HSC.

Intelligent Business Oxford University

Getting Ahead is a course for students at the pre-intermediate level who want to improve their English for business and professional purposes. It is suitable both for students who are preparing for work and those who are in employment already. At the same time as drawing on the learner's own experience, the course provides activities which give the less experienced learner the opportunity to participate effectively in meaningful communication. The main units are topic-based and focus on such themes as describing a company, welcoming visitors and dealing with problems. All four skills - listening, speaking, reading and writing - are developed. There are controlled practice tasks and meaningful communication activities, and the course as a whole provides a clear structural progression. The Home Study Book provides out-of-class activities which review and expand on what

has been done in class. These activities are keyed at the back of the book to aid self-study. The Home Study CD contains all the listening and pronunciation material.
