WELLS JAMIE

Simple Crochet Trafalgar Square Publishing

"More than 30 appealing projects--including shawls, scarves, afghans, wrist warmers, placemats, and pillows--can be found in the pages of this introductory guide to the enjoyable art of crochet..."--P. [4] of cover.

The Complete Beginner's Guide to Crochet Ryland Peters & Small

Suitable for complete beginners to crochet, perfect for using up small pieces of yarn, patterns can easily be scaled up by using larger hooks and thicker yarn.

Crochet Stitch Dictionary Search Press Ltd

Until the twenty-first century, Tunisian crochet was a little-used style of crochet that was considered relatively simple and unadventurous. Fortunately, nowadays, that has all changed. The Art of Tunisian Crochet offers a comprehensive exploration of what is an often underestimated technique that combines both knitting and crochet principles. The book takes the reader from the technique's relatively young history, dispelling common misassumptions, to the exciting possibilities available to the crafter today. This beautifully illustrated book includes the origin of Tunisian

crochet; advantages and disadvantages of materials and equipment; the limitless variations of the basic Tunisian simple stitch; achieving the unexpected ethereal look of Tunisian lace; exploring a creative variety of texture and colour, and finally, incorporating Tunisian crochet with other crafts.

[New Directions in Crochet](#) Kalmbach Publishing Company

Description Are you looking for a beginner guide to learn how to crochet in an easy way? If yes, then keep reading... Crocheting is a common practice in the current world. It is a process by which a person creates fabrics through interconnecting loops of strands, threads or yarns of different materials. The complex process is made easier by use of a crochet hook. The name crochet hook has been derived from term crochet in the French language. This term is used to refer to a small hook in the French language. The term is also related to a German crock which means a hook. The crochet hook is

made of different type of materials. These materials include plastics, woods or metal which are commercially manufactured and products made in workshops of artisans. In order to clearly see the stitches while you are working, you will need a relatively big crochet hook. You will work with wool in the beginning, as it is the most suitable material to start with. Later, you will try cotton and other materials. Besides, wool is the material used for many projects. It is a good idea to master wool very well before trying something else. To find the perfect crochet hook for your hand and your style may take some time. Now, as a beginner, do not think too much about it - finding hooks to make your work easier is enough. What you have to avoid is buying crochet hooks made out of plastic or bamboo because these are not easy to use. Bamboo ones are often inexpensive, made from natural material, and definitely cool. Plastic ones have wonderful color patterns. The problem is that the wool tends to get stuck on them and creates problems you do not need to have at your early stage. The best idea is to buy a plastic coated metal hook - not so fashionable, but easier to use for sure. Neutral and light colors are strongly suggested. Multi-color hooks can confuse you while you are crocheting. Later, as you get more experienced and you start to use cotton too, metal crochet hooks are ideal. of course, you will build up a wonderful collection of every kind of crochet hooks with time. This book is addressed to all crochet juveniles with no experience but also to those with a previous background on crocheting. In case that you have never held a crochet catch, this book will take you through all the basic crochet lines to enable you to make superb things, both little and supreme. This book covers: How to Read and Understand Crochet Tools and Materials Sample Crochet Projects Types of Crochet How to Crochet for Left-Handers How to Crochet for Right-Handers Knitting and Crochet Instructions For Beginner Crochet Students Both Left-Handed And Right-Handed Tips and Tricks to Crocheting History and Origin of Crochet Mistakes to Avoid Crocheting Background ...And much more!! Crochet guides you through the basic frameworks and secures giving information about photographs and pictures that can be used as first patterns. Novices can work through the thorough and easy-to-follow techniques in the first part of the book, ending on the planning and practice in the last section of the book. The little projects fuse things going from a direct chain line wrist knickknack to an in the current style intarsia pad. Ready to get started? Click "Buy Now"!

Crochet for Beginners Dorling Kindersley Ltd

All good things come in small packages; is the thinking behind this crochet book from expert crafts teacher, Catherine Hirst. Meet Ekaterina, Elena and Eva three sisters who live in the highest onion dome of a very old building in St Petersburg, Russia although they are only two inches tall. They are best friends with the three bears Mama, Papa and Baby Bear who love to snuggle up at night under their beautifully crocheted blankets. And although they don't know it, they share their house with the Catnip Mouse, who measures a teeny, tiny one inch from the tips of his whiskers to the end of his tail. Working with fine yarn and using the smallest of crochet hooks, here is an adorable collection of 35 projects, from miniature amigurumistyle animals to tiny accessories. Crafts teacher Catherine Hirst has created a menagerie of small-scale pets, a whole host of families, and beautiful accessories. There are crocheted cakes which really do look good enough to eat, plus pretty flowers which can be worn as brooches or hair decorations and cute decorations for the Christmas tree. You'll also learn how to crochet miniature beads so you can make your own jewellery. As well as 35 easy-to-follow patterns, there is a comprehensive basic techniques section which will help beginners to master the art of crochet. This book really does prove that all good things come in small packages! Catherine Hirst was taught crochet at a young age by her grandmother and took to it immediately - she quickly learned to knit and embroider as well, and has been hand-making clothing, accessories, and gifts ever since.
