Tels des loups affamés

Le Masque
Scottish homicide
detective John Rebus
has been sent from
"North of the Border"
to help London police
catch a serial killer
with a gruesome M.O.
Teamed with a London
cop he wants to trust
but can't, Rebus lets a
beautiful psychologist

into the case develops
a bizarre portrait of a
killer who leaves bite
marks and tears on
each victim's body.
Now it's only a
question of who is
going to get busted
first: the cop with the
accent who breaks all
the rules--or the
psycho painting
London with blood...
The New York Times
calls Ian Rankin's
Inspector Rebus books
"A superior series," and
Tooth and Nail is

another outstanding entry.

Les services sociaux installent un pédophile avéré bénéficiant de la liberté conditionnelle en face... d'un jardin d'enfants. Un policier exemplaire se jette d'une falaise alors que les voies de l'ascension sociale lui étaient ouvertes. Des gosses disparaissent du jour au lendemain, sans que leurs familles n'aient la moindre explication. Un tueur en série revient libre des États-Unis pour narguer l'inspecteur John Rebus et les médias, dans un jeu terrifiant. Décidément, rien ne va plus dans la ville d'Édimbourg.

L'étrangleur d'Edimbourg Orion Books Limited

In a shadowy, crumbling Edinburgh housing development, a junkie lies dead of an overdose, his body surrounded by signs of Satanic worship. Inspector John Rebus could call it an accident. But won't. Now he's got to search the city, from the tunnels of its dark underbelly to the private sanctum of the upper crust, to find the perfect hiding place for a killer.

Knots and Crosses
Orion

La toute première enquête de l'inspecteur John Rebus. Édimbourg est une ville d'apparences ; le crime n'y est pas moins présent, tout juste plus difficile à repérer. Quand deux jeunes filles sont enlevées et tuées brutalement et une

troisième disparaît, John Rebus doit parcourir la jungle de la ville, une jungle que les touristes ne voient jamais, pour traquer le meurtrier.

Hide & Seek Orion

A cold case involving a missing private investigator threatens to unearth skeletons from Rebus's past in this "must-read" mystery (Tana French). Former Detective John Rebus' retirement is disrupted once again when skeletal remains are identified as a private investigator who went missing over a decade earlier. The remains, found in a rusted car in the East Lothian woods, not far from Edinburgh, quickly turn into a cold case murder investigation. Rebus' old friend, Siobhan Clarke is assigned to

the case, but neither of them could have predicted what buried secrets the investigation will uncover. Rebus remembers the original case -- a shady land deal -- all too well. After the investigation stalled, the family of the missing man complained that there was a police cover-up. As Clarke and her team investigate the cold case murder, she soon learns a different side of her mentor, a side he would prefer to keep in the past. A gripping story of corruption and consequences, this new novel demonstrates that Rankin and Rebus are still at the top of their game. *La Maison des mensonges* Little, Brown

banquier d'Édimbourg vient de disparaître, un minuscule cercueil contenant une poupée en bois sculpté est retrouvée sur la propriété familiale.

L'inspecteur John Rebus pense que cette découverte aurait un lien avec les énigmes proposées par un mystérieux

Quizmaster, contact de la fille sur Internet, que la détective Siobhan Clarke est en train de traquer. L'ancien rencontre le moderne lorsque, aux prises avec ses démons personnels, John Rebus joue contre sa hiérarchie avec obstination pour résoudre l'affaire.

 Un junkie retrouvé mort dans un squat d'Édimbourg, juste un cadavre dont le corps a été placé sur le sol selon un étrange rituel.

Une jeune fugueuse terrifiée qui pense que son ami a été assassiné. Mais tout le monde s'en moque. Ce sont les déchets de la société, des drogués et des petits délinquants. Mieux vaut s'intéresser aux nouvelles entreprises en plein essor et aux lotissements flambant neufs qui vont apporter la prospérité à une ville qui se vante déjà de sa " qualité de vie ". Il n'y a guère que l'inspecteur Rébus pour s'en préoccuper, sentir quelque chose de trop malsain, de trop dangereux pour être laissé dans l'ombre...
 Quelque chose qui n'est peut-être pas sans lien avec le monde merveilleux que promettent promoteurs et publicistes...

'Rankin continues to be unsurpassed among living British crime writers... He makes the reader feel part of the

scene, and enhances the experience with his virtuosity with dialogue ... But all these virtues would count for little if Rankin didn't also possess the most important asset of them all - the ability to tell a damned good story' The Times

The Falls Le Masque Rebus comes out of retirement...to save his nemesis. Detective Inspector Siobhan Clarke is feeling the heat. She's investigating the death of a senior government prosecutor, David Minton, who has friends in high places. When one of their own is killed, the powers that be want answers fast. But Clarke is puzzled: if Minton died in a robbery as everyone thinks, why is nothing missing from his home? The answer

may lie not in what was taken, but in what was left behind at the scene -- an ominous note. Malcolm Fox is feeling useless. Shunned by his colleagues because of his past in the Complaints bureau, he's been reassigned to a grunt detail, helping a surveillance team -- one that trusts him even less than his own boss does -- track a notorious Glasgow crime family. Helping Clarke with the Minton case is the only thing that makes Fox feel like a real cop. Newly minted civilian John Rebus is feeling restless. Being a cop is in his blood and he's failing miserably at retirement. So when Clarke and Fox ask for his help, Rebus doesn't need long to consider his options. But before

he can get his bearings, a call comes from Rebus's old nemesis -- "Big Ger" Cafferty. Someone just fired a bullet through his front window -- and sent him a note identical to Minton's. The normally unflappable old gangster is on edge, but for the life of him Cafferty can't figure out who he's wronged. And the only man he trusts with his life is Rebus. As the cases collide, it's up to Clarke, Fox, and Rebus to connect the dots and save their unlikely ally Cafferty, whose past harbors a shocking secret that implicates Minton's friends in an unspeakable crime. Even *Dogs in the Wild* reunites crime fiction legend Ian Rankin's greatest characters in

an explosive story
exploring the darkest
corners of our desires.

In a House of Lies

Le corps d'un détective privé, porté disparu en 2006, est découvert dans une voiture cachée dans la forêt près d'Édimbourg. Un comble pour sa famille et pour la police locale car cette région avait à priori déjà été fouillée par les officiers à l'époque. L'inspecteur Siobhan Clarke reprend l'enquête et se voit obligée d'examiner les nombreuses erreurs commises par ses prédécesseurs. Les rumeurs d'incompétence et de corruption courent depuis toujours et à présent, plus de dix ans après, il est temps de découvrir la vérité. Tous les officiers en poste à l'époque sont

interrogés et il s'avère que tout le monde a quelque chose à cacher. Même John Rebus... Traduit de l'anglais par Freddy Michalski
Black & Blue Le Masque
Bible John terrorized Glasgow in the sixties and seventies, murdering three women, and was never caught. Now a copycat is at work - nicknamed Bible Johnny by the media - a new menace with violent ambitions. It's a perfect case for Inspector John Rebus.
Black and Blue
Minotaur Books
The second novel featuring Inspector John Rebus, available for the first time as an e-book and with an exclusive introduction by author Ian Rankin. A junkie, dead in an Edinburgh squat, the

body laid out with ritual precision. A girl with a past, running wild and running scared. But who cares? These are the dregs, a squalid society of addicts and derelicts, people long since disconnected from a society that is preoccupied with the new businesses and the new homes bringing prosperity to a city concentrating on advertising its quality of life. Only Detective Inspector John Rebus senses something evil, something too dangerous to ignore that has to be investigated and brought up into the light. Something that may prove to be very closely connected indeed to the bright new world above. It is an investigation that will find him not just

trying to solve a crime but fighting for his life.
L'Ombre du tueur
 Little, Brown
 John Rebus parcourait la jungle de la ville, une jungle que les touristes ne voient jamais, trop occupés à mitrailler les temples dorés du passé. Édimbourg était une ville d'apparences ; le crime n'y était pas moins présent, tout juste plus difficile à repérer. Édimbourg était schizophrène, la ville de Jekyll et Hyde, bien entendu, mais aussi celle de Deacon Brodie, des manteaux de fourrure sans petite culotte, comme on disait à Glasgow. Mais c'était aussi une petite ville. Un avantage pour Rebus. Il traqua sa proie dans les bars à voyous, dans les lotissements où le chômage et l'héroïne

tenaient lieu de blason, parce qu'il savait que quelqu'un d'aguerrisaurait survivre dans cet anonymat. Jetant un coup d'œil à la ronde, il vit qu'il avait atterri au cœur du désespoir.

Rather Be the Devil Le Masque

Inspector John Rebus: His city is being terrorized by a baffling series of murders...and he's tied to a maniac by an invisible knot of blood. Once John Rebus served in Britain's elite SAS. Now he's an Edinburgh cop who hides from his

memories, misses promotions and ignores a series of crank letters. But as the ghoulish killings mount and the tabloid headlines scream, Inspector Rebus cannot stop the feverish shrieks from within his own mind. Because he isn't just one cop trying to catch a killer, he's the man who's got all the pieces to the puzzle.... Knots and Crosses introduces gifted mystery novelist Ian Rankin, a fascinating locale and the most compellingly complex detective hero at work today.
