The Odds and Ends bookstore is thriving, of course, but Morgan is most excited by the doors that were opened for her as a cryptid hunter. After a man is found dead from a vicious throat injury in the forest, the conservation warden asks Morgan to investigate. Jeff Buck thought he'd seen it all. Twenty years working undercover in the netherworld of drugs had left him burned out and grateful to assume the quiet job of police chief in the small town of Reminderville, Ohio. That is, until a simple domestic assault case turns out to have links to the murder of a drug runner in upstate New York and a syndicate smuggling billions of dollars in drugs across the U.S.-Canada border. As Buck reluctantly plunges back into his old world of death and deceit, he uncovers a complex chain linking the Hells Angels to the Russian Mafia in a plot to use Native American tribal land to smuggle their deadly wares into the United States. From grow houses set ablaze in Quebec to the insular St. Regis Mohawk Indian Reservation, from board rooms and biker wars to the frozen rivers that serve as private turnpikes for the drug gangs, Buck opposes a serpentine criminal enterprise that has every reason to want to end his crusade in violence and bloodshed. Ultimately, his efforts lead to an unprecedented slew of indictments on both sides of the border and prison terms for even the kingpins, toppling an empire once deemed invincible. Takedown spans the period of December 2007 to June 2009.

The True Story Behind the Events on 9/11 that Inspired Broadway's Smash Hit Musical Come from Away, Featuring All New Material from the Author When 38 jetliners bound for the United States were forced to land at Gander International Airport in Canada by the closing of U.S. airspace on September 11, the population of this small town on Newfoundland Island swelled from 10,300 to nearly 17,000. The citizens of Gander met the stranded passengers with an overwhelming display of friendship and goodwill. As the passengers stepped from the airplanes, exhausted, hungry and distraught after being held on board for nearly 24 hours while security checked all of the baggage, they were greeted with a feast prepared by the townspeople. Local bus drivers who had been on strike came off the picket lines to transport the passengers to the various shelters set up in local schools and churches. Linens and toiletries were bought and donated. A middle school provided showers, as well as access to computers, email, and televisions, allowing the passengers to stay in

touch with family and follow the news. Over the course of those four days, many of the passengers developed friendships with Gander residents that they expect to last a lifetime. As a show of thanks, scholarship funds for the children of Gander have been formed and donations have been made to provide new computers for the schools. This book recounts the inspiring story of the residents of Gander, Canada, whose acts of kindness have touched the lives of thousands of people and been an example of humanity and goodwill.

Who Is Tulovski? It still hurt. One week, two days and fourteen hours after the momentous event it still hurt like hell. The object of her misery was coming around that night to collect the last of his stuff. She felt sick when she thought of the hussy's hands all over him, touching him, caressing him, wanting him. Damn the thoughts that wouldn't go away. Day and night they pestered her, prying at the edges of sleep and forcing it back so that her wilting eyes flew open under a barrage of painful images that she'd rather not imagine. And that was how the plot came to be hatched. It shot across her thought process as she lovingly ironed along the seam of his fly on the dark grey boxer shorts, the ones with the tiny hole in the material of the left buttock. "I'll tell him I've met somebody else," she said aloud. She actually enjoyed doing the rest of the ironing and by the time she had pressed the last of his fourteen shirts she had invented, built and fleshed out, the 'perfect' partner.

In *Behind the Curtain 2*, author Marc LeVitre pulls back the curtain once again to reveal the Truth as seen in mainstream movies. These films have been chosen because they have impacted LeVitre on a spiritual level. He delves into such themes as coming-of-age, dealing with the cruel world, sports, the despicable, and Disney. LeVitre also analyzes film that should have been in the first book but were not because they were then too complicated or were not on his radar, and he adds to and/or corrects comments made in the first book. LeVitre, in most cases, ties films to Scripture. However, his Holy Spirit again has led him to explore areas of his life in a few instances. The author had believed the first book would be the last, for about a week. Then God inundated him with what appears in this volume. Since the beginning, LeVitre, a pastor's son, has been looking for the moral of the story, and by doing so, has been entertained, but more importantly, has been enlightened. LeVitre has been proud to call New Hampshire home since 1968.

From the New York Times bestselling author Kristin Hannah comes a powerful novel of love, loss, and the magic of friendship. . . . now a #1 Netflix series! In the turbulent summer of 1974, Kate Mularkey has accepted her place at the bottom of the eighth-grade social food chain. Then, to her amazement, the "coolest girl in the world" moves in across the street and wants to be her friend. Tully Hart seems to have it all—beauty, brains, ambition. On the surface they are as opposite as two people can be: Kate, doomed to be forever uncool, with a loving family who mortifies her at every turn. Tully, steeped in glamour and mystery, but with a secret that is destroying her. They make a pact to be best friends forever; by summer's end they've become TullyandKate. Inseparable. So begins Kristin Hannah's magnificent new novel. Spanning more than three decades and playing out across the ever-changing face of the Pacific Northwest, *Firefly Lane* is the poignant, powerful story of two women and the friendship that becomes the bulkhead of their lives. From the beginning, Tully is desperate to prove her worth to the world. Abandoned by her mother at an early age, she longs to be loved unconditionally. In the glittering, big-hair era of the eighties, she looks to men to fill the void in her soul. But in the buttoned-down nineties, it is television news that captivates her. She will follow her own blind ambition to New York and around the globe, finding fame and success . . . and loneliness. Kate knows early on that her life will be nothing special. Throughout college, she pretends to be driven by a need for success, but all she really wants is to fall in love and have children and live an ordinary life. In her own quiet way, Kate is as driven as Tully. What she doesn't know is how being a wife and mother will change her . . . how she'll lose sight of who she once was, and what she once wanted. And how much she'll envy her famous best friend. . . . For thirty years, Tully and Kate buoy each other through life, weathering the storms of friendship—jealousy, anger, hurt, resentment. They think they've survived it all until a single act of betrayal tears them apart . . . and puts their courage and friendship to the ultimate test. *Firefly Lane* is for anyone who ever drank Boone's Farm apple wine while listening to Abba or Fleetwood Mac. More than a coming-of-age novel, it's the story of a generation of women who were both blessed and cursed by choices. It's about promises and secrets and betrayals. And ultimately, about the one person who really, truly knows you—and knows what has the power to hurt you . . . and heal you. *Firefly Lane* is a story you'll never forget . . . one you'll want to pass on to your best friend.
