The Book of Jubilees Feldheim Publishers

In "The Angel of History," Moses looks at three philosophers Franz Rosenzweig, Walter Benjamin, and Gershom Scholem who formulated a new vision of history informed by Jewish messianism in 1920s Germany."

The Ghost of Hannah Mendes Paulist Press

Gendered and sexual identities are unstable constructions which reveal a great deal about the ideologies and power relationships affecting individuals and societies. The interaction between gender/sex studies and translation studies points to a fascinating arena of discursive conflict in which our intimate desires and identities are established or rejected, (re)negotiated or censored, sanctioned or tabooed. This volume explores diverse and heterogeneous aspects of the manipulation of gendered and sexual identities. Contributors examine translation as a feminist practice and/or theory; the importance of gender-related context in translation; the creation of a female image of secondariness through dubbing and state censorship; attempts to suppress the blantly patriarchal and sexist references in the German dubbed versions of James Bond films; the construction of national heroism and national identity as male preserve; the enactment of Chamberlain's 'gender metaphors' in Scliar and Calvino; the transformation of

Japanese romance fiction through Harlequin translations; the translations of the erotic as site for testing the complex rewriting(s) of identity in sociohistorical term; and the emergence of NRTs (New Reproductive Technologies), which is causing fundamental changes in the perception of 'creativity' or 'procreation' as male domains.

Kabbalah for Beginners Feldheim Publishers

Tamar Finegold is twenty-one years old, the happy, beautiful bride of a rising young Rabbi in one of Brooklyn's insulated, ultra-Orthodox Jewish communities. Having married the man of her dreams and taken her place as a wife—and hopefully soon-to-be mother—in her community, Tamar feels as though the world is at her feet. But her secure, predictable existence is brought to an abrupt end when she is raped by an intruder. Fearing the unbearable stigma and threat to her marriage that could result from telling the truth, Tamar makes a fateful decision that changes her life forever. Her feeling that she did the only thing she could under the circumstances explodes when years later a shocking, undreamed of turn of events finally forces her to confront her past, once and for all

The Sacrifice of Tamar Hendrickson Publishers

The power of The 72 Names of God operates strictly on a soul level, not a physical one. It's about spirituality, not religiosity. Instead of being limited by the differences that divide people, the wisdom of the Names transcends humanity's age-old quarrels and belief systems to deal with one common bond that unifies all people and nations as one -- the human soul.

To Be a Jewish Woman Routledge

The Antiquities of the Jews is a 20-volume historiographical work composed by Flavius Josephus in the 13th year of the reign of Roman emperor Flavius Domitian. The book contains an account of history of the Jewish people, written in Greek for Josephus' gentile patrons. In the first ten volumes, Josephus follows the events of the historical books of the Hebrew Bible beginning with the creation of Adam and Eve. The second ten volumes continue the history of the Jewish people beyond the biblical text and up to the Jewish War. This work provides valuable background material to historians wishing to understand 1st-century AD Judaism and the early Christian period. _x000D_ _x000D_ Titus Flavius Josephus was a first-century Romano-Jewish scholar, historian and hagiographer, who was born in Jerusalem—then part of Roman Judea—to a father of priestly descent and a mother who claimed royal ancestry. He initially fought against the Romans during the First Jewish–Roman War as head of Jewish forces in Galilee, until surrendering in 67 CE to Roman forces led by Vespasian after the six-week siege of Jotapata. After Vespasian became Emperor in 69 CE, he granted Josephus his freedom, at which time Josephus assumed the emperor's family name of Flavius. He fully defected to the Roman side and was granted Roman citizenship. Josephus recorded Jewish history, with special emphasis on the first century CE and the First Jewish–Roman War, including the Siege of Masada. His most important works were The Jewish War (c. 75) and Antiquities of the Jews (c. 94). _x000D_

The Kabbalah Unveiled Weiser Books

When life is at its best, the unimaginable can shatter everything you think you know... Abigail Samuels has no reason to feel anything but joy on the morning her life falls apart. The epitome of the successful Jewish American woman, she is married to a well-known and respected accountant and is in the middle of planning her daughter Kayla's wedding. Kayla, too, wakes up that morning with the world in the palm of her hand. Having lived the charmed life of a well-loved child from a happy family, she is bright, pretty, a Harvard law student who has never really questioned the path she found herself on. With a shocking suddenness, all that is smashed to pieces in ways they could never have dreamed. When a heartbroken Kayla runs away to a desert commune run by a charismatic mystic, Abigail rushes to save her, only to find that there is nothing more whole than a broken heart.

The Jewish Enlightenment St. Martin's Griffin

Reflecting on forty years of matrimony, John Piper exalts the biblical meaning of marriage over its emotion, exhorting couples to keep their covenant for all the best reasons. Even in the days when people commonly stayed married "'til death do us part," there has never been a generation whose view of marriage was high enough, says Pastor John Piper. That is all the more true in our casual times. Though personal selfishness and cultural bondage obstruct the wonder of God's purpose, it is found in God's Word, where his design can awaken a glorious vision capable of freeing every person from small, Christ-ignoring, romance-intoxicated views. As Piper explains in reflecting on forty years of matrimony: "Most foundationally, marriage is the doing of God. And ultimately, marriage is the display of God. It displays the covenant-keeping love between Christ and his people to the world in a way that no other event or institution does. Marriage, therefore, is not mainly about being in love. It's mainly about telling the truth with our lives. And staying married is not about staying in love. It is about keeping covenant and putting the glory of Christ's covenant-keeping love on display." This Momentary Marriage unpacks the biblical vision, its unexpected contours, and its weighty implications for married, single, divorced, and remarried alike.

מסילת ישראל Routledge

Since it was first published in 1989, the "Talmud Reference Guide" has introduced thousands of people to the study of the books of Jewish law. The guide is an historical treatise on the Talmud and its role in Jewish life, as well as an essential road map to the twenty projected volumes of the Steinsaltz translation. Brilliantly written and lavishly designed and illustrated, this full-length guide will raise interest in the Talmud.

Sotah Paulist Press

A subject of perennial study and the focus of a recent surge of popular interest, Kabbalah is an ancient Jewish doctrine of esoteric knowledge concerning God, creation, and nature. This essential guide was written by one of the most influential figures in modern occultism. And unlike lesser works, it focuses on the actual sacred texts to offer an objective, reliable interpretation. The Kabbalah Unveiled explores three important books of the Zohar or "Splendor": "The Book of Concealed Mystery," the book of equilibrium or balance, concerning the central point, at which rest succeeds motion; "The Greater Holy Assembly"; and "The Lesser Holy Assembly." Together, these three books examine the gradual development of the creative deity, and of creation itself. Author S. L. MacGregor Mathers, a founder of the Hermetic Order of the Golden Dawn, presents his exegesis in a clear and scholarly style. Three fold-out charts enhance this volume's value as a tool for understanding the Kabbalah and enjoying the benefits of its teachings.

To the Power of One Jazzybee Verlag

Ancient Kabbalistic mysticism and the search for meaning by looking to the stars are related in ways that may surprise readers. Kabbalah, in fact, offers arguably the oldest and wisest application of astronomy and astrology known to humankind. Kabbalistic Astrology is a tool for understanding one's individual nature at its deepest level and putting that knowledge to immediate use in the real world. A natural addition to Berg's many writings on spirituality, the book explains why destiny is not the same as predestination and shows that we have many possible futures and can become masters of our fate. Written in Berg's trademark clear, intelligible style, the book teaches how to discover challenges faced in previous incarnations and how to overcome them, as well as the secrets to finding the love, success, and spiritual fulfillment.

The 72 Names of God Macmillan

The Koren Talmud Bavli is a groundbreaking edition of the Talmud that fuses the innovative design of Koren Publishers Jerusalem with the incomparable scholarship of Rabbi Adin Steinsaltz. The Koren Talmud Bavli Daf Yomi Edition set is a compact, blackandwhite edition that presents an enhanced Vilna page, a sidebyside translation English translation, photographs and illustrations, a brilliant commentary, and a multitude of learning aids to help the beginning and advanced student alike actively participate in the dynamic process of Talmud study.

Zohar, the Book of Enlightenment KTAV Publishing House, Inc.

At the beginning of the eighteenth century most European Jews lived in restricted settlements and urban ghettos, isolated from the surrounding dominant Christian cultures not only by law but also by language, custom, and dress. By the end of the century urban, upwardly mobile Jews had

shaved their beards and abandoned Yiddish in favor of the languages of the countries in which they lived. They began to participate in secular culture and they embraced rationalism and non-Jewish education as supplements to traditional Talmudic studies. The full participation of Jews in modern Europe and America would be unthinkable without the intellectual and social revolution that was the Haskalah, or Jewish Enlightenment. Unparalleled in scale and comprehensiveness, The Jewish Enlightenment reconstructs the intellectual and social revolution of the Haskalah as it gradually gathered momentum throughout the eighteenth century. Relying on a huge range of previously unexplored sources, Shmuel Feiner fully views the Haskalah as the Jewish version of the European Enlightenment and, as such, a movement that cannot be isolated from broader eighteenth-century European traditions. Critically, he views the Haskalah as a truly European phenomenon and not one simply centered in Germany. He also shows how the republic of letters in European Jewry provided an avenue of secularization for Jewish society and culture, sowing the seeds of Jewish liberalism and modern ideology and sparking the Orthodox counterreaction that culminated in a clash of cultures within the Jewish community. The Haskalah's confrontations with its opponents within Jewry constitute one of the most fascinating chapters in the history of the dramatic and traumatic encounter between the Jews and modernity. The Haskalah is one of the central topics in modern Jewish historiography. With its scope, erudition, and new analysis, The Jewish Enlightenment now provides the most comprehensive treatment of this major cultural movement.

The Power of Kabbalah Createspace Independent Publishing Platform

The Kabbalist Rabbi Laitman, who was the student and personal assistant to Rabbi Baruch Ashlag from 1979-1991, follows in the footsteps of his rabbi in passing on the wisdom of Kabbalah to the world. This book is based on sources that were passed down by Rabbi Baruch's father, Rabbi Yehuda Ashlag (Baal HaSulam), the author of 'the Sulam', the commentaries on The Book of Zohar, who continued the ways of the Ari and Rabbi Shimon Bar Yochai and many great Kabbalists throughout the generations before them. The goal of this book is to assist individuals in confronting the first stages of the spiritual realm. This unique method of study, which encourages sharing this wisdom with others, not only helps overcome the trials and tribulations of everyday life, but initiates a process in which individuals extend themselves beyond the standard limitations of today's world.

The Interlinear Bible Mesorah Publications, Limited

This is a scholarly study of the origin and evolution of the Kabbalah. Originally published in French in 1843, with a second French edition in 1889, this book traces the origins of the philosophical concepts of the Kabbalah to the ancient Zoroastrians. Franck goes into fascinating detail about the doctrine of the Kabbalah, as expressed in the Sepher Yetzirah and the Zohar. He uses internal evidence to trace the origins of these texts many centuries prior to their first known publication in the thirteenth century C.E. Franck carefully compares the philosophy of the Kabbalah with Greek philosophy, the Alexandrians, Philo, and the Gnostics, and concludes that, although there are similarities, none of them can claim to be the source of the Kabbalah. However, he does find many more similarities with the ancient Zoroastrian beliefs. By this process of elimination, he comes to the conclusion that the doctrines of the Kabbalah had their origin during the Babylonian exile circa 500 B.C.E., which was also the time when Zoroaster was active in the same geographical region. This thesis is worth considering, and potentially adds more weight to the already numerous contributions of Zoroastrianism to world culture.

Letters to a Buddhist Jew Feldheim Publishers

The new big thing in terms of spiritual enlightenment, the powerful principles of the Kabbalah have attracted a swathe of celebrity followers ranging from Madonna, Jerry Hall, Elizabeth Taylor, Mick Jagger and Guy Ritchie - as well as over 3.5 million other dedicated students worldwide. Previously shrouded in secrecy, its teachings were passed down orally from generation to generation to only an elite few. Now, in THE POWER OF KABBALAH, Rabbi Yehuda Berg has created a user's manual for today's world, in which its wisdom is conveyed in a highly accessible, practical form for all to follow. For the first time, these secret teachings are brought to bear on the real world issues faced by us everyday - in our careers, with family and friends, and in our innermost personal thoughts. Rabbi Yehuda Berg sets out a practical collection of principles and instructions for improving our lives - helping us to get to where we really want to be emotionally, spiritually, financially and creatively in all aspects of our life. This truly spiritual book reveals not only what life means, but the actions we can each take to create the life we want and deserve.

Em Habanim Semeha University of Pennsylvania Press

Gould (women's studies and French, Bowling Green State U.) analyzes four feminist rebels, all major Quebec women writers. These women--Nicole Brossard, Madeline Gagnon, Louky Bersianik, and France Theoret--are attempting to explode male-dominated language and to construct a new language and literature of women. Gould studies their work and also provides historical, political, and theoretical background. Annotation copyrighted by Book News, Inc., Portland, OR

The Bahir Stanford University Press

To Be a Jewish Woman is a clearly written, comprehensive book that gives the reader a wealth of information and insights. It presents historical, halachic (Jewish legal), philosophical and psychological observations about traditional Jewish views about women's issues. In addition, it is an invaluable source of information for women considering a Torah-observant lifestyle as well as for those immersed in one. The relevance of its discussions about women's roles in modern society, the synagogue, and family help the reader to find meaningful ways to achieve self-actualization in a changing world.

דרך ה' St. Martin's Griffin

A completely redone version of a treasured classic. This newly translated volume, complete with facing Hebrew-English text and shoulder captions for clarity, revitalizes the study of Rabbi Moshe Chaim Luzzatto's classic ethical work. The Path of the Just has long been regarded as the crown-jewel of mussar study. The Gaon of Vilna constantly kept a copy of Mesillas Yesharim at his side, and yet the piercing wisdom of the Ramchal is just as relevant to our own lives. The author gently guides the reader through various levels of character refinement, shining a beacon of life on the path to perfection.

The Tenth Song SIU Press

The Bahir is one of the oldest and most influential of all classical Kabbalah texts. Until the publication of the Zohar, the Bahir was the most widely quoted primary source of Kabbalistic teachings. The Bahir is quoted in every major book on Kabbalah, the earliest being the Raavad's commentary on

Sefer Yetzirah, and it is cited numerous times by Rabbi Moshe ben Nachman (Ramban) in his commentary on the Torah. It is also quoted many times in the Zohar. It was first published around 1176 by the Provence school of Kabbalists; the first printed edition appeared in Amsterdam in 1651. The name Bahir is derived from the first verse quoted in the text (Job 37:21), "And now they do not see light, it is brilliant (Bahir) in the skies." It is also called the "Midrash of Rabbi Nehuniah ben HaKana," particularly by the Ramban. The reason might be that Rabbi Nehuniah's name is at the very beginning of the book, but most Kabbalists actually attribute the Bahir to him and his school. Some consider it the oldest kabbalistic text ever written. Although the Bahir is a fairly small book, some 12,000 words in all, it was very highly esteemed among those who probed its mysteries. Rabbi Judah Chayit, a prominent fifteenth-century Kabbalist, writes, "Make this book a crown for your head." Much of the text is very difficult to understand, and Rabbi Moshe Cordevero (1522-1570), head of the Safed school of Kabbalah, says, "The words of this text are bright (Bahir) and sparkling, but their brilliance can blind the eye." One of the most important concepts revealed in the Bahir is that of the Ten Sefirot, and careful analysis of these discussions yields much of what will be found in later kabbalistic works, as well as their relation to anthropomorphism and the reason for the

commandments. Also included is a discussion of reincarnation, or Gilgul, an interpretation of the letters of the Hebrew alphabet, the Thirty-two Paths of Wisdom, and the concept of Tzimtzum.

תהלים Laitman Kabbalah Publishers

Nothing like wordplay can make difference between languages look so uncompromising, can give such a sharp edge to the dilemma between forms and effects, can so blur the line between translation and adaptation, or can cast such harsh light on our illusion of complete semantic stability. In the pun the whole language system may resonate, and so may literary traditions and ideological discourses. It follows that the pun does not only put translators to the test, it also poses a challenge to the views and concepts of those who study translation. This book brings together experts on translation and the pun, as well as researchers representing a variety of other relevant disciplines and schools of thought, ranging from theology to deconstruction and from contrastive linguistics to feminism. It can be read as a companion volume to *Wordplay and Translation*, a special issue of *The Translator* (Volume 2, Number 2, 1996), also edited by Dirk Delabastita
