The Network of Thought Advaita Ashrama (A publication branch of Ramakrishna Math, Belur Math) Sanskrit text on the yogic method of the attainment of Brahman; portion of Asvamedha Parva of Mahabharata. Kṛṣṇa: The Supreme Personality of Godhead Shambhala Publications A bi-lingual Sanskrit/English classic rarely available.

The Brahmāṇḍa Purāṇa Association of Grandparents of Indian Immigrants The book brings to light how great and true knowledge is born of intuition, quite different from modern Western method. The ancient Indian method and its secret techniques are examined and shown to be capable of solving various problems of mathematics. The universe we live in has a basic mathematical structure obeying the rules of mathematical measures and relations. All the subjects in mathematics-Multiplication, Division, Factorization, Equations, Calculus, Analytical Conics, etc.-are dealt with in forty chapters, vividly working out all problems, in the easiest ever method discovered so far.

Sri Ganesha Pustak Mahal Jiddu Krishnamurti (1895-1986) rose from humble beginnings to become a leading spiritual and philosophical thinker. His works continue to influence thousands of people around the world; Joseph Campbell, Alan Watts, Eckhart Tolle and Deepak Chopra have all been indebted to him. And yet he belonged to no religion, sect or country. Nor did he subscribe to any school of political or ideological thought. On the contrary, Krishnamurti maintained that these are the very factors that divide human beings and bring about conflict and war – an approach that makes his teachings

particularly appealing in our own times. The Flight of the Eagle is regarded as one of Krishnamurti's key works, grappling with themes such as freedom, change, peace, violence and – finally – the transcendental and the unknown.

Uttara-gītā Bombay : Chetana Discourses of a Hindu religious leader of the Navnath sampradaya.

The Gospel of Sri Ramakrishna Castrovilli Giuseppe

Having torn down the veil of ignorance, the wise mendicant, knows the secret of true Bliss. He keeps nothing, wants nothing, lives in a home without walls and furniture, is ever calm and serene and sleeps blissfully at the foot of a tree with the sky for a roof and earth for his bed.

The Flight of the Eagle Central Chinmaya Mission Trust

Classical verse work on the Advaita philosophy and meditation.

The Bhagavad Gītā Krishnamurti Foundation Trust Ltd.

Selected talks given by the author during 31st October 1981 to 4th September 1982 in India, U.S.A., Switzerland, and England.

In the Vision of God State University of New York Press

Recorded conversations and reminiscences can help you sense the spiritual power of the Holy Mother. The most complete collection available.

Gaṇeśapurāṇa Krishnamurti Foundation Trust Ltd.

This book comprises of a choice collection of Swami Vivekananda's utterances culled from his numerous speeches and writings, arranged under 44 suitable sections. It is a treasure house of thoughts of power to inspire and guide mankind in its march towards the Supreme Reality. Covering the entire cyclorama of ma's life and its

evolutionary movement, the electrifying gospel of this great Swami includes within its fold everything that would go to inspire and awaken a drooping soul by reminding him of his infinite potentialities and inherent greatness, and making him move ahead on the difficult terrain of life and circumstances. This book is a must for all those who earnestly wish to move ahead in the grand march of life, infested with tremendous obstacles and difficulties, towards the state of Supreme Felicity. Published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, India.

Hymn to Tripurasundarī (Hindu deity).

Kaupeena Panchakam (Kaupina Panchakam) Motilal Banarsidass
Publishe

A classic collection of excerpts from one of the great spiritual leaders of the twentieth century--now in the newly designed Shambhala Pocket Library series. Jiddu Krishnamurti (1895–1986) went from his origins in a small south Indian village to become one of the great spiritual teachers of the twentieth century. He taught that the only way to create peace on earth is to transform the human psyche—but that there is no path to this transformation, no method for achieving it, and no gurus nor spiritual authorities who can help. Rather, the transformation is a truth that each of us must discover within ourselves. This classic collection of brief excerpts from Krishnamurti's books and talks presents the essence of his teaching on meditation—a state of attention, beyond thought, which brings total freedom from authority and ambition, fears and separateness.

Meditations NYU Press

Sri Ganesha presents Pārvatiputra Ganpati Gajānan in all hue and colour magnificently and magestically, as it deals with all the aspects of the most revered God of the Hindus, who start every Puja or Ritual with the invocation to Lord Ganesha. Sri Ganesha gives not only 108 mantras for meditation on and through this Vighnahurtā God but also discusses in detail his 32 forms and the symbolical significance and meaning of everything attached to and associated with the Mangalkartā, Siddhidātā, Vināyak Sri Ganesha.

The Eternal Truth Society of Abidance in Truth

these deal with the problem of truth, the actuality in which we live as perceived by the senses, reality as appears to our consciousness, and the relationship between them. In the main part of the book Krishnamurti considers how man's consciousness is made up of all sorts of misconceptions about the 'me', or the ego centre; he also points out how solidly conditioned it is. 'You cannot go through reality to come to truth; you must understand the limitation of reality, which is the whole process of thought,' he says. The book ends with some questions and answers which throw light on certain issues previously touched upon

Siddhānta-bindu Advaita Ashrama

This book offers a translation of the seven thousand verses of the second book of the medieval Hindu text, the Ganesa Purana, one of two Puranas dedicated to the important elephant-headed god. In this book the reader is given many narratives about Ganesa's ascent to earth in order to kill demonic figures who threaten to overthrow the correct world order. In addition, these narratives contain myths about Ganesa's birth and family as well as some

extended and quite humorous myths about ideal devotees of the god. The translation is preceded by a long introduction offering a geographical and historical context for the Ganesa Purana. Following the translation are very extensive notes which bring our points of philological interest, but focus mainly on the literary structure of the text and the methods used to present the many myths and narratives in a coherent and fully integrated manner.

Nirguna Manasa Puja Random House
Love is divine and Divinity is love personified. The author explains that divine love is the meaning of life and shows the reader how everyone can attain peace, love, immortality and happiness by the easy method of mantra meditation. The book elaborately describes love as the ultimate reality, love is divine, reincarnation and its significance, immortality and bliss, law of karma, mind and meditation, bhakti yoga and the art of dying. The book also presents a unified system of spiritual knowledge and a synthesis of science and religion by explaining the fundamentals of life and consciousness and giving a comparison of the characteristics of life and matter. Included are some fascinating tales from ancient Vedic scriptures which illustrate the philosophy with the medium of real life drama. Topics covered include: * The Meaning of Life * Love is the ultimate reality * Immortality and bliss * Meditation and bhakti yoga * Reincarnation and its significance * Laws of karma, morality and peace * Proof of God's existence * Location of soul * Life is but a dream * The art of dying Love is the highest value. From our experience we can surmise that the feeling of love is the most pleasing and gives us ecstasy and pleasure. The feeling of love is

cherished by all and the exchange of feelings of love is remembered fondly within our hearts. Love nourishes us and really love is our life. Without love life is meaningless. Indeed the meaning of life is love. Our present education system does not teach students the meaning of life. The tragedy of life is that, consequently, a person may go through life without ever knowing the meaning of life or why he came to this world in the first place.

Truth and Actuality Advaita Ashrama (A publication branch of Ramakrishna Math, Belur Math)

Many want to know what Hinduism is. Many are astonished to hear that Hinduism has no particular creed. Indeed, Hinduism is hard to define. Hinduism is a system which comprises within its fold an infinite variety of thoughts. In this book published by Advaita Ashrama, a Publication centre of Ramakrishna Math, an attempt has been made to give a bird's-eye view of Hinduism with extracts from the speeches and writings of Swami Vivekananda who may be said to be the best exponent of Hinduism in modern India. The excerpts have been culled

from the author's Complete Works. Lord Siva and His Worship Krishnamurti Foundation Trust Ltd.

What is Advaita Vedanta? What means or instruments does it utilize in its attempt to comprehend Reality? What is the nature of its aim? If we begin by answering these questions, we will be ready to follow with the right intelligence the message given by the great SANKARA in Vivekacudamani. The path which is outlined here is not for the majority, quite the contrary. It is for those who, having attained "maturity," tend towards full Awakening. It is for those who want to bring about a profound revolution within themselves; and this requires an act of courage, of steadfastness and, at the same time, of great humility. Advaita Vedanta is for those who, tired of a long pilgrimage, have finally stopped and in the silence of their own hearts have decided to launch a powerful attack on that terrible and treacherous enemy who lives not outside of us but right within us, and thus realize full liberation from all psycho-physical conflict and bondage. As darkness and its effects vanish when the sun rises, so, when realization of non-dual beatitude dawns, do bondage and suffering vanish without a trace (Vivekacudamani, sutra 319) SANKARA has been one of the greatest philosophers of India. He dedicated his brief and intense life (788-820) to re-establish the authority of the ruti, to codify the Advaita Vedanta, the doctrine of Non-duality, and to anchor the Metaphysical Tradition of the Veda through the foundation of monasteries (ma]ha) and monastic orders. With his bhasya (commentary) to the Upanisad, the Brahmasutra, and the

Bhagavadgita, and with his own writings, Sankara has profoundly influenced not only India's philosophical development, but that of the entire world. RAPHAEL is author and Master in the Western Metaphysical Tradition as well as the Vedanta. For over 35 years, he has written a series of books on the pathway of Non-duality (Advaita). He has translated directly from the original Sanskrit and Edited a number of key Vedanta texts. His entire work is a conscious reunification of both Western and Eastern Traditions into Unity of Tradition.

I Am that Crossway

For years, this edition of the Bhagavad Gītā has allowed all those with a lively interest in this spiritual classic to come into direct contact with the richness and resonance of the original text. Winthrop Sargeant's interlinear edition provides a word-for-word English translation along with the devanagari characters and the transliterated Sanskrit. Detailed grammatical commentary and page-by-page vocabularies are included, and a complete translation of each section is printed at the bottom of each page, allowing readers to turn the pages and appreciate the work in Sargeant's translation as well. Discussions of the language and setting of the Gītā are provided and, in this new edition, editor Christopher Key Chapple offers guidance on how to get the most out of this interlinear edition. Long a favorite of spiritual seekers and scholars, teachers and students, and lovers of world literature, Sargeant's edition endures as a great resource for twenty-first-century readers.
