This Hindi book will help you learn the vocabulary you need to socialize with other young Hindi speakers and enjoy cultural attractions, such as nightlife and Bollywood movies. Making Out in Hindi is a fun, accessible guide to the contemporary Hindi language as it's

spoken in real life. Geared towards everyday interactions, this Hindi phrasebook includes current slang and street expressions not covered in other language resources. Making Out in Hindi also features a pronunciation guide, notes on the Hindi language and Indian culture, and guidance on male and female usage, so that you can learn Hindi both quickly and accurately. With this Hindi language phrasebook, you'll be able to express yourself when: Making acquaintances Sharing a meal Going out

on the town Flirting and getting amorous And more! Each expression is also shown in Hindi script to enhance your recognition of the language (and in a pinch, you can even show the book to the person you're speaking to). Whether you're planning to study abroad in India, or are just looking for an authentic travel experience, this fun resource will turn you into a local in no time. Tuttle's Making Out series has sold over 400,000 copies worldwide, and Making out in Hindi is recognizable as the best resource for everyday Hindi-to-English vocabulary and quintessential Hindi expressions.

This tract looks at the politics of language in India through a study of the history of one language Hindi. It traces the tragic metamorphosis of this language over the last century, from a creative, dynamic, popular language to a

dead, Sanskritised, dePersianised language manufactured by a self-serving upper caste North Indian elite, nurturing hegemonic ambitions. From being a symbol of collective imagination it became a signifier of narrow sectarianism and regional chauvinism. The tract shows how this transformation of the language was tied up with the politics of communalism and regionalism.

*Structures of Japanese and Hindi* Orient Blackswan  
An original and radiant novel about grief, obsession, and the need for meaning from the author of *The Family*, a finalist for the National Book Award. When his young son dies in a freak accident, Gerard struggles to find a reason in the smallest of details, including the scrap of paper containing the Sanskrit alphabet that is found at the site. Latching on to this final “clue,” he delves into the origins of Indo-European alphabets, his fascination taking him to England,

Greece, and finally, to an ancient site in the Syrian desert where the alphabet was born some 4000 years ago. Along the way he meets other grieving parents, who accompany him on a journey that extends beyond historical knowledge and right into the heart of love and loss.

Sanjay Tivari is just a little boy when he feels affection toward his aunt, BB Mausli. A classic Indian beauty, BB Mausli whispers sweet nothings in his ears to assuage his tantrums. Sanjay, who is an impressionable five-year-old, takes every opportunity to gain her attention, but what Sanjay does not know is that his feelings toward his aunt will slowly transform the way he looks at women for the rest of his life. As he matures, Sanjay

craves Pratima, a girl four years older than him; the newlywed Meena; and finally Anju, a woman from another caste whose family is not averse to honor killing to restore the family's name. As he reveals his life story to each woman and she tells it to him, Sanjay learns much from their circumstances that highlight the draconian beliefs, dogmas, and stereotypical mindsets that haunt their society. Interwoven within their heartrending stories reveal prejudice and heartbreak that fill Sanjay with a longing to right their wrongs. As Sanjay travels through a myriad of emotions, he has no choice but to continue his complex quest for true love and fulfillment. In this poignant story, a young Indian man embarks on a coming-of-age journey of longing and ecstasy

where he hopes to find love and, more importantly, himself.

Some forms of literature interfere with the workings of the literate brain, posing a challenge to readers of all kinds, including professional literary critics. In *Artefacts of Writing*, Peter D. McDonald argues they pose as much of a challenge to the way states conceptualise language, culture, and community. Drawing on a wealth of evidence, from Victorian scholarly disputes over the identity of the English language to the constitutional debates about its future in Ireland, India, and South Africa, and from the quarrels over the idea of culture within the League of Nations in the interwar years to UNESCO's ongoing

struggle to articulate a viable concept of diversity, McDonald brings together a large ensemble of legacy writers, including T.S. Eliot, James Joyce, and Rabindranath Tagore, putting them in dialogue with each other and with the policy-makers who shaped the formation of modern states and the history of internationalist thought from the 1860s to the 1940s. In the second part of the book, he reflects on the continuing evolution of these dialogues, showing how a varied array of more contemporary writers from Amit Chaudhuri, J. M. Coetzee, and Salman

Rushdie to Antjie Krog, Arvind Krishna Mehrotra, and Es'kia Mphahlele cast new light on a range of questions concerning education, literacy, human rights, translation, indigenous knowledge, and cultural diversity that have preoccupied UNESCO since 1945. At once a novel contribution to institutional and intellectual history and an innovative exercise in literary and philosophical analysis, *Artefacts of Writing* affords a unique perspective on literature's place at the centre of some of the most fraught, often lethal public controversies that defined the long-twentieth century and that continue to haunt us today
