MILES CHRISTINE

Defeat Dyslexia! flipClass

Bella is a happy and inquisitive five-year old girl who loves to play with her friends, go to school, and spend time with her family. Everyone tells her how beautiful she is, but she doesn't feel as beautiful as the faces she sees on TV and in the magazines. Join Bella as she navigates a very important life lesson and learns to love the skin she is in. This captivating story for young children provides a message of empowerment and acceptance that readers of all ages can understand and enjoy.

81 Fresh & Fun Critical-thinking Activities National Geographic Books

The author seeks to take the reader on a slow roller coaster ride down memory lane, halting en route at the stations of childhood, youth and adulthood. He makes the reader visit the mind of an impressionable child who can be distraught over a trivial looking matter, a youth stuck in a demanding situation, a doctor's doubts and redemption, a distressed parent, a responsible citizen and so on, all in different stories. He shares his thoughts over various issues very subtly and invites the readers to search their minds for their own stance on the same. He reminisces about a gifted classmate, muses over life, shares his misadventure as a child and then some more. He has tried to put different colors from his palette on different canvasses in a collection which promises to keep you interested through delicate twists and the occasional surprise.

Mathletics - Multiplication and Division Vikas Publishing House

A charming children's encyclopedia bursting with fun facts for little learners who want to know about the world! Our world is an amazing place. It's full of rivers, mountains, animals, and too many other amazing places to count. But that's not all. There's also families, friends, music, technology, language, games, and all other things that make life wonderful. This exciting children's book is a celebration of our world and what it's like to live in it. **My Very Important World** is a vibrant encyclopedia for curious 5-9 year olds, with a unique approach to the subject that features both places from around the globe as well as focusing on what the world is like from a child's perspective, covering everyday subjects about their own experiences. Unlike an atlas, this encyclopedia of discovery will entertain, educate, and inspire readers to wonder about the world around them. On one page they'll read about their body and brain, on another they'll learn about languages, food, culture, the environment, and on others, they can marvel at wonders of the Earth such as fiery volcanoes, sprawling cities, or a place called "The Rainbow Mountains". **My Very Important World** allows readers to delight in discovering where the coldest place on Earth is, how many languages there are, why they sometimes feel scared, and much more. Full of fun facts, colorful illustrations, and games that will keep the kids entertained time again, this children's encyclopedia is filled with age-appropriate knowledge on a range of terrific topics, with contents divided into six sections, covering: **My World, The World Around Me, People and Culture, The Big Wide World, The Natural World, and Exploring The World.** Celebrate your child's curiosity as they: - Read hundreds of exciting facts - Learn all about amazing animals, people, and places - Discover the wonders of our incredible planet, and more Our encyclopedia for children is the perfect blend of adorable, simple illustrations with stunning photography and lively text. Encourage early learners to go on a journey to explore a world of information, making this the ideal first reference book for kids aged 5-9 to enjoy for hours on end, whether for homeschooling, a bedtime story, shared reading or reading alone, this fun fact book for children also doubles up as the perfect gift for curious kids who love to learn. Tell the story of the world one page

at a time, by uncovering: - Educational content written in a friendly and fun manner - Beautifully padded cover with several high-quality finishes, including padding and foil - Features a built-in ribbon bookmark so you never lose your place whilst reading More in the Series **My Very Important World** is part of the educational kid's book series **My Very Encyclopedia** series. Complete the series and nurture your child's curiosity with **My Encyclopedia of Very Important Adventures**, teach them about different species with **My Encyclopedia of Very Important Animals**, or let them walk with the dinosaurs who ruled the earth before them in **My Encyclopedia of Very Important Dinosaurs**.

My Very Important World Thunder Bay Press

Discover new, practical methods for teaching literacy skills in your early childhood classroom. Has teaching early literacy skills become a stumbling block to getting your preschool students kindergarten ready? Break out of the tired "letter of the week" routine and learn how to transform your lessons with fun and effective techniques. **Teach Smarter: Literacy Strategies for Early Childhood Teachers** will equip teachers to infuse every aspect of their teaching with exciting hands-on literacy teaching methods that engage students and help them build authentic connections with books, so that 100% of their students will have a strong literacy foundation and will be fully prepared for success in kindergarten and beyond. Respected author Vanessa Levin, veteran early childhood educator and author of the "Pre-K Pages" blog, breaks down the research and translates it into realistic, actionable steps you can take to improve your teaching. Features specific examples of teaching techniques and activities that engage students in hands-on, experiential learning during circle time, centers, and small groups. Offers a simple, four-step system for teaching literacy skills, based on the foundational principles of early literacy teaching **Demonstrates** how to build your confidence in your ability to get 100% of your students ready for kindergarten, long before the end of the school year **Understand** the problems with traditional literacy teaching and identify gaps in your current teaching practice with this valuable resource.
