#1 Biggest Time-Wasting, Failure-Causing Advice Given by Well Meaning Teachers, Friends, and Even Parents The mistaken advice is this: Learn 10 new words daily and you'll know 3650 words in one year. The advice simply does not work because here is the fact: while most people are capable of learning 10 new words a day, but everybody forgets them within a week and many forget within 24 hours. Other versions of the same advice includes use 10 flashcards day, use a dictionary, read English novels, etc. Important: Please note that it is not your fault because it is the nature of the human mind. GRE Vocabulary Flashcards 3.0 is 3rd Generation Flashcards. 1st Generation Flashcards 1.0 - Paper flashcards You can select the flashcards of words you don't know and focus more on them Cumbersome to properly time your repetition. Paper flashcards are now obsolete for all practical purposes, but many students still use them. 2nd Generation Flashcards 2.0 - Computer-based simple flashcards For over 30 years, computer-based flashcards looked like flashcards but on screen. Limited in effectiveness. 3rd Generation Flashcards 3.0 - Customized online vocab with audio with all the benefits of flashcards and advanced timing control for spaced repetition, with your learning history kept secure online for learning anywhere on mobile, PC, pad New and most powerful. Automatically available with your mobile phone, PC, pad. Learn whenever you get a little time free. Uses logic to show the words you need to review just in time for maximum memory. You end us revising hard words more frequently and easy words less

so. Memorize 3 times faster, cutting your training time to 1/3 of normal. One or 2 Meanings with Short and Memorable Sentence Fragments You don't get 3 or 5 or 10 meanings and sentences that are impossible to remember (a dictionary is better if you want to do PhD on some aspects of words). You get short and memorable sentence fragments, so you can remember faster and better. Here are some examples (please notice how easily memorable the sentence fragments are): euphoria = elation, feeling of well-being or happiness USE = in a state of euphoria evade = to avoid USE = don't evade taxes excerpt = selection from a book, extract USE = excerpt of a new book illicit = unlawful, illegal USE = illicit liquor de facto = actual USE = de facto standard (Not full sentence) draconian = harsh USE = draconian laws prodigy = a person with extraordinary ability or talent USE = a child prodigy eke = to add to, supplement USE = to eke out a living Herculean = powerful, large USE = a Herculean task pyrrhic = a battle won with unacceptable losses USE = a pyrrhic victory Makes a Great Gift for Students Many parents and grand parents give it as a gift.

vocabulary of the subject and use this as a model for test success. People with a strong Insider's Language consistently: Perform better on their Exams Learn faster and retain more information Feel more confident in their courses Perform better in upper level courses Gain more satisfaction in learning The GRE Test Vocabulary Workbook is different from traditional review books because it focuses on the exam's Insider's Language. It is an outstanding supplement to a traditional review program. It helps your preparation for the exam become easier and more efficient. The strategies, puzzles, and questions give you enough exposure to the Insider Language to use it with confidence and make it part of your long-term memory. The GRE Exam Vocabulary Workbook is an awesome tool to use before a course of study as it will help you develop a strong working Insider's Language before you even begin your review. Learn the Secret to Success! After nearly 20 years of teaching Lewis Morris discovered a startling fact: Most students didn't struggle with the subject, they struggled with the language. It was never about brains or ability. His students simply didn't have the

knowledge of the specific language needed to succeed. Through experimentation and research, he discovered that for any subject there was a list of essential words, that, when mastered, unlocked a student's ability to progress in the subject. Lewis called this set of vocabulary the "Insider's Words". When he applied these "Insider's Words" the results were incredible. His students began to learn with ease. He was on his way to developing the landmark series of workbooks and applications to teach this "Insider's Language" to students around the world.
