Rediscover Jesus Ignatius Press

The Creator sat upon the throne, thinking. Behind him stretched the illimitable continent of heaven, steeped in a glory of light and color; before him rose the black night of Space, like a wall. His mighty bulk towered rugged and mountain-like into the zenith, and His divine head blazed there like a distant sun. At His feet stood three colossal figures, diminished to extinction, almost, by

contrast -- archangels -- their heads level with His ankle-bone. When the Creator had finished thinking, He said, "I have thought. Behold!" He lifted His hand, and from it burst a fountain-spray of fire, a million stupendous suns, which clove the blackness and soared, away and away and away, diminishing in magnitude and intensity as they pierced the far frontiers of Space, until at last they were but as diamond nailheads sparkling under the domed vast roof of the universe. At the end of an hour the Grand Council was dismissed. They left the Presence impressed and thoughtful, and retired to a private place, where they might talk with freedom. None of the three seemed to want to begin, though all wanted somebody to do it.

The Virgin Mary in the Kingdom of the Divine Will Orbis Books
Immensely learned, self-educated in an era when formal schooling was denied to women, Mary Wortley Montagu was an admired poet, a consistently scandalous doyenne of eighteenth-century London society, and, in a period when letter-writing had been elevated to an art form, one of the greatest letter writers in the English language. Her epistles, meant for both public and private consumption, are the product of a mind distinguished by its adventurousness, its indifference to convention, and its eagerness not only to acquire knowledge but to convey it with unmitigated style and grace. Renewing the Vision Servant Ministries

Sacred Pathways reveals nine distinct spiritual temperaments--and their strengths, weaknesses, and tendencies--to help you improve your spiritual life and deepen your personal walk with God. It's time to strip away the frustration of a one-size-fits-all spirituality and discover a path of worship that frees you to be you. Experienced spiritual directors, pastors, and church leaders recognize that all of us engage with God differently, and it's about time we do too. In this updated and expanded edition of Sacred Pathways, Gary Thomas details nine spiritual temperaments and--like the Enneagram and other tools do with personality--encourages you to investigate the ways you most naturally express yourself in your relationship with God. He encourages you to dig into the traits, strengths, and pitfalls in your devotional approach so you can eliminate the barriers that keep you locked into rigid methods of worship and praise. Plus, as you begin to identify and understand your own temperament, you'll soon learn about the temperaments that aren't necessarily "you" but that may help you understand the spiritual tendencies of friends, family, and others around you. Whatever temperament

or blend of temperaments best describes you, rest assured it's not by accident. It's by the design of a Creator who knew what he was doing when he made you according to his own unique intentions. If your spiritual walk is not what you'd like it to be, you can change that, starting here. Sacred Pathways will show you the route you were made to travel, marked by growth and filled with the riches of a close walk with God. A Sacred Pathways video Bible study is also available for group or individual use, sold separately.

On Reserving Priestly Ordination to Men Alone NavPress

Jesus Christ is as popular as ever. Films, books, and news articles ask, "Who was Jesus Christ?" Even outside of Christianity he continues to appeal to people. And yet for so many, the popular Jesus is not the Jesus of Christianity. The popular Jesus makes no demands and never challenges people. He accepts everyone and everything under all circumstances. On the Way to Jesus Christ is a series of meditations that Pope Benedict XVI wrote while he was Prefect for the Congregation of the Doctrine of the Faith. The true Jesus he writes, is the Jesus of the Gospels who "is quite different, demanding and bold. The Jesus who makes everything okay for everyone is a phantom, a dream, not a real figure. The Jesus of the Gospels is certainly not convenient for us. But it is precisely in this way that he answers the deepest question of our existence, which--whether we want to or not--keeps us on the lookout for God, for a gratification that is limitless, for the infinite. We must again set out on the way to this real Jesus." This book also examines whether Jesus Christ is the only savior, and the Church's responsibility to evangelize. It concludes with reflections on Jesus' Presence in the Holy Eucharist, and the Catechism of

the Catholic Church's presentation of the Christian mystery as seen through the Catechism's dynamic view of Sacred Scripture. On the Way to Jesus Christ is for anyone--believer or nonbeliever--who wants better to understand the true Jesus, the Jesus of the Gospels, the Christ of Christianity.

Teen ACTS Retreat Manual B&H Publishing Group

With kind and humble intent thou reprovest me, dearest brother, for having wished by hiding myself to fly from the burdens of pastoral care; as to which, lest to some they should appear light, I express with my pen in the book before you all my own estimate of their heaviness, in order both that he who is free from them may not unwarily seek them, and that he who has so sought them may tremble for having got them. This book is divided into four separate heads of argument, that it may approach the reader's mind by allegations arranged in order--by certain steps, as it were. For, as the necessity of things requires, we must especially consider after what manner every one should come to supreme rule; and, duly arriving at it, after what manner he should live; and, living well, after what manner he should teach; and, teaching aright, with how great consideration every day he should become aware of his own infirmity; lest either humility fly from the approach, or life be at variance with the arrival, or teaching be wanting to the life, or presumption unduly exalt the teaching.

Compendium of the Social Doctrine of the Church New City Press

Cardinal Vaughn wrote these reflections over a century ago, and they are as pertinent today as when they were first assembled into a book. "There is no Saint however holy and innocent who may not truly consider himself the greatest sinner in the world. It is enough that he knows himself to be man to recognize that he is liable to commit all the evil of which man is capable." This thought alone will inspire us to humility and this book is a great aid to true humility, which is essential to salvation. St. Alphonsus writes: "a single bad book will be sufficient to cause the destruction of a monastery." Pope Pius XII wrote in 1947 at the beatification of Blessed Maria Goretti: "There rises to Our lips the cry of the Saviour: 'Woe to the world because of scandals!' (Matthew 18:7). Woe to those who consciously and deliberately spread corruption-in novels, newspapers, magazines, theaters, films, in a world of immodesty!" We at St. Pius X Press are calling for a crusade of good books. We want to restore 1,000 old Catholic books to the market. We ask for your assistance and prayers. This book is a photographic reprint of the original The original has been inspected and many imperfections in the existing copy have been corrected. At Saint Pius X Press our goal is to remain faithful to the original in both photographic reproductions and in textual reproductions that are reprinted.
