SARIAH LAUREL

An Honorable Peace in Central America Yale University Press

Presents a comprehensive history of Central America, including the early pre-Columbian cultures and economic challenges currently being faced.

[Central America](#) Infobase Publishing

First published in Chile in 1969 as Interpretación del desarrollo social centroamericano, this classic is now available in English. The first attempt at an integrated analysis of modern Central America's socioeconomic structure, Torres Rivas's work traces the social development of Central America from independence (1871) up to the 1960s. Using a dependency framework, but not limited by it, Torres Rivas describes the various divisions of Central American society and their evolution within the liberal development model that has been so much a part of the past century of Central American economic history. The book is compelling in its explanation of the relationship between foreign and native elements in the social development of the region. Torres Rivas describes and analyzes the resulting long-term problems this development has posed for Central America. With a new chapter added for the English edition, History and Society in Central America remains vital for readers interested in the region.

Nicaragua (Rough Guides Snapshot Central America on a Budget) Dorling Kindersley Ltd

General chapters on Central America 1821-1870, 1870-1930 & 1930 to the present, are followed by chapters on each of the five Central American republics -- Guatemala, El Salvador, Nicaragua, Honduras & Costa Rica -- since 1930. Excerpted from the Cambridge History of Latin America.

Just Tell Me What Happened Perigee Books

The original Lonely Planet guide, Shoestrings are an essential planning tool for first-time and independent travellers making big trips, wanting to stay longer and stretch their money further. The budget-conscious content features a colour itineraries and highlights section; detailed, easy-to-use maps; and a dedicated language chapter with key phrases. Central America on a Shoestring covers Yucatan and Chiapas (Mexico), Guatemala, Belize, Honduras, El Salvador, Nicaragua, Costa Rica and Panama. It features candid local interviews, awesome maps and expanded itineraries and covers the best of the region's beaches, jungles, mountaintops, bars and cantinas.

[The Rough Guide to Central America](#) Fodor's

Part memoir and part philosophical look at why we travel, filled with stories of Matt Kepnes' adventures abroad, an exploration of wanderlust and what it truly means to be a nomad. New York Times bestselling author of How to Travel the World on \$50 a Day, Matthew Kepnes knows what it feels like to get the travel bug. After meeting some travelers on a trip to Thailand in 2005, he realized that living life meant more than simply meeting society's traditional milestones. Over 500,000 miles, 1,000 hostels, and 90 different countries later, Matt has compiled his favorite stories, experiences, and insights into this travel manifesto. Filled with the color and perspective that only hindsight and self-reflection can offer, these stories

get to the real questions at the heart of wanderlust. Travel questions that transcend the basic "how-to," and plumb the depths of what drives us to travel — and what extended travel around the world can teach us about life, ourselves, and our place in the world. Ten Years a Nomad is a heartfelt comprehension of the insatiable craving for travel, unraveling the authenticity of being a vagabond, not for months but for a fulfilling decade.

Lonely Planet Best of Central America Rough Guides UK

The Rough Guide Snapshot to Nicaragua is the ultimate budget guide to Nicaragua. It leads you through the country with reliable information and comprehensive coverage of all the top sights and attractions, from the best surfing and hiking (and even volcano-boarding) to the most beautiful colonial architecture, alongside cash-saving tips and suggestions for when you feel like treating yourself. Detailed maps and up-to-date listings pinpoint the best cafés, restaurants, hotels, shops, bars and nightlife, ensuring you make the most of your trip, whether passing through, staying for just a few days or lingering a little longer. The Rough Guide Snapshot to Nicaragua covers all the major towns and cities such as Managua, León (and León Viejo), Chinandega, Estelí, Matagalpa, Masaya and San Juan del Sur, as well as the best of Nicaragua's many natural attractions, sleepy villages and coastal hangouts--Miraflor nature reserve, Parque Nacional Volcán Masaya, Lago de Nicaragua (including Isla de Ometepe and the Solentiname archipelago), Río San Juan, the Pearl Lagoon, the Corn Islands. Also included is the Basics section from the Rough Guide to Central America on a Budget, with all the practical information you need for travelling in and around Nicaragua, including transport, costs, health, culture and security. Also published as part of the Rough Guide to Central America on a Budget. The Rough Guide Snapshot to Nicaragua is equivalent to 87 printed pages.

Gypsyng Through Central America Mexico Boating Guide

Costa Rica is one of the most sought after vacation destinations in the Americas with some of the world's most attractive natural surroundings teeming with wildlife. Most visitors spend years saving up for a trip of a lifetime, or perhaps even a honeymoon, but Joe decided to move there for ten months to get a closer look at life in and around Costa Rica. Over the course of his time abroad, Joe brings his experiences to life alongside the history of the region as he travels throughout Costa Rica and its Central American neighborhood with stops in Panama, El Salvador and Guatemala. Xenophobic expatriates, delicious food, vibrant market scenes, an epic battle with Mothra, and inevitable culture clashes all make an appearance in Talking Tico, leaving readers with a new impression of this fascinating region.

Central America and the Caribbean Lonely Planet

Where? Discover what's there and where to find it; pinpoint directions and inside tips for Central America's top destinations; 20 color maps, including all the best birdwatching parks. Make the most of your time with The Rough Guide to Central America on a Budget.

[The Rough Guide to Central America on a Budget](#) Rough Guides UK

Central America and the Caribbean may be best known as world-class tourist destinations, but in spite of being top vacation spots, the countries of these tropical regions still suffer the lingering effects of Europe's plantation-style colonization including income inequality, corrupt leadership, and discrimination against native peoples and the descendants of slaves. The regions are home to the poorest country in the Western Hemisphere and one of the richest. Rich or poor, most countries have high rates of poverty and many areas are controlled by organized criminals and violent street gangs. Only two of the twelve most populated countries have poverty rates below 25 percent and only one scored a high level of social progress in the Social Progress Index. Challenges ahead include addressing extreme poverty, eliminating government corruption, stopping the spread of increasingly violent criminal organizations, and working toward ecosystem sustainability in the face of population growth and climate change. Each title in this series contains a forward from the Executive Director of the Social Progress Imperative, color photos throughout, maps, charts, and back matter including: a special "Countries at a Glance" statistical section, an index, and further reading lists for books and internet resources. Key Icons appear throughout the books in this series in an effort to encourage library readers to build knowledge, gain awareness, explore possibilities and expand their viewpoints through our content rich non-fiction books. Key Icons in this series are as follows: Words to Understand are shown at the front of each chapter with definitions. These words are set in boldfaced type in that chapter, so that readers are able to reference back to the definitions--building their vocabulary and enhancing their reading comprehension. Sidebars are highlighted graphics with content rich material within that allows readers to build knowledge and broaden their perspectives by weaving together additional information to provide realistic and holistic perspectives. Text-Dependent Questions are placed at the end of each chapter. They challenge the reader's comprehension of the chapter they have just read, while sending the reader back to the text for more careful attention to the evidence presented there. Research Projects are provided at the end of each chapter as well and provide readers with suggestions for projects that encourage deeper research and analysis. And a Series Glossary of Key Terms is included in the back matter containing terminology used throughout the series. Words found here broaden the reader's knowledge and understanding of terms used in this field.

[Central America Inside Out](#) Lonely Planet

This popular text surveys the history of the Central American region, covering Guatemala, Belize, Honduras, El Salvador, Nicaragua, Costa Rica, and Panama, from pre-Columbian times to the present. It emphasizes the common characteristics of the Central American states as well as their potential for political union. Now completely updated, the third edition of Central America: A Nation Divided encompasses the significant new research and tumultuous events that have taken place since the last edition was published. The text now includes coverage of the civil wars in Guatemala, El Salvador, and Nicaragua, as well as the restoration of peace to the region under the Central American peace accords. It also recounts and analyzes the substantial changes that have occurred in the economic and social arenas as Central American states have turned increasingly to neoliberal

policies that emphasize the private sector and the development of exports while reducing government entitlement programs. Students will find this text enormously helpful for sorting through the vast amounts of significant research that has been written and compiled in the past decade. In addition, the Selective Guide to the Literature section has been completely revised to reflect the great increase in research and writing on Central America. Comprehensive and incisively written, *Central America: A Nation Divided* is an essential text for Latin American History courses.

[How to Travel the World on \\$50 a Day](#) Createspace Independent Publishing Platform

Frommer's Central America is the premier guide to the region, with complete coverage of Belize, Guatemala, Honduras, El Salvador, Nicaragua, Costa Rica, and Panama. Whether you're an archaeology buff, an outdoor adventurer, or a partier in search of a good time, Central America presents so many diverse travel options that it'll make your head spin. Frommer's Central America will help you plan a memorable trip, starting with our highly

opinionated lists of the best experiences the region has to offer. Our authors have lived in and written about Central America for years, so they're able to provide valuable insights and advice. They'll steer you away from the touristy and the inauthentic, and show you the real heart of this region. Let them take you to exciting cities, charming colonial towns, lovely beach resorts, ancient ruins, traditional Maya villages, and natural wonders, with advice on everything from hiking Costa Rica's cloudforests, to touring Nicaragua's volcanoes, to snorkeling Belize's Barrier Reef. You'll travel Central America like a pro with our candid advice and handy Spanish-language glossary. Also included are accurate regional and town maps (including site plans of the major ruins), up-to-date advice on finding the best package deals, and extensive info on sustainable travel.

Incidents of Travel in Central America, Chiapas, and Yucatan Rick Steves

This volume surveys the politics, economics, society, culture, environment and foreign affairs of each country in this volatile region.
