"100 percent unforgettable." —Kirkus Reviews (starred review)

"Part mystery, part study of the human heart, and one pierced with rays of hope." —Booklist (starred review)

"A big-hearted adventure about coming home." —Publishers Weekly  
A ten-year-old girl is determined to find her missing neighbor, but the answers lead her to places and people she never expected—and maybe even one she's been running away from—in this gorgeous debut novel that's perfect for fans of *The Thing About Jellyfish*. Guinevere St. Clair is going to be a lawyer. She was the fastest girl in New York City. She knows everything there is to know about the brain. And now that she's living in Crow, Iowa, she wants to ride into her first day of school on a cow named Willowdale Princess Deon Dawn. But Gwyn isn't in Crow, Iowa, just for royal cows. Her family has moved there, where her parents grew up, in the hopes of jogging her mother Vienna's memory. Vienna can no longer remember anything past the age of thirteen, not even that she has two young daughters. Gwyn's father is obsessed with finding out everything he can to help his wife, but Gwyn's focused on problems that seem a little more

within her reach. Like proving that the very strange Gaysie Cutter who lives next door is behind the disappearance of her only friend, Wilbur Truesdale. Gwyn is sure she can crack the case, but when she does she finds that not all of her investigations lead her to the places she would have expected. In fact they might just lead her to learn about the mother she's been doing her best to forget...

Deserve[s] a place on every Civil War bookshelf.--New York Times Book Review "[Trulock] brings her subject alive and escorts him through a brilliant career. One can easily say that the definitive work on Joshua Chamberlain has now been done.--James Robertson, Richmond Times-Dispatch "An example of history as it should be written. The author combines exhaustive research with an engaging prose style to produce a compelling narrative which will interest scholars and Civil War buffs alike.--Journal of Military History "A solid biography. . . . It does full justice to an astonishing life.--Library Journal This remarkable biography traces the life and times of Joshua L. Chamberlain, the professor-turned-soldier who led the Twentieth Maine Regiment to glory at Gettysburg, earned a battlefield promotion to brigadier general from Ulysses S. Grant at Petersburg, and was wounded six times during the course of the Civil War. Chosen to accept the formal Confederate surrender at Appomattox, Chamberlain endeared himself to succeeding generations with his unforgettable salutation of Robert E. Lee's vanquished army. After the war, he went on to serve four terms as governor of his home state of Maine and later became president of Bowdoin College. He wrote prolifically about the war, including *The Passing of the Armies*, a classic account of the final campaign of the Army of the Potomac.

Bella is not your ordinary, everyday girl. She's just found out magic is real. Worse, her two-bit, good-for-nothing uncle has sold her to a demon to salvage his car dealership. Zane, the Fifth Son of Satan, won't admit he's got a problem. Because he's not sure what it is yet. An oracle, he can see parts of the future but not everything. The glimpses tell him to watch out for an eternal witch who will threaten the heart of magic. But Zane's gotta

watch out for his own heart, frankly. Bella is coming for it. When he buys her, she steals his magical ring, sticks it on his finger, and makes him hers. He's now contracted to protect her, no matter what. Even if she turns out to be the eternal witch here to destroy all. ... Hell at Her Hands follows a demon oracle and a new witch fighting fate. If you crave your contemporary fantasies with action, humor, romance, and fun, grab Hell at Her Hands: The Complete Series today and soar free with an Odette C. Bell series. Hell at Her Hands is the 3rd My Better Devil series. A witty, action-packed, light romance world where Satan's sons must find love, but only after it sticks a ring on their finger. If you like your urban fantasies packed full of charming smiles, arrogant demons, and sprinkles of romance, dive in today.

GOD TOOK MY HAND is a story about a man who felt called by God to serve as a deacon in the Catholic Church in spite of his personal reservations. His self doubt and need to be in control of the situation eventually vanishes through various experiences and encounters that he is placed in. God eventually reveals His plan for him through his journey of school and ministry in

Developing Countries. He learns the harsh reality of how some people suffer, while also realizing the gift we all possess. Amazing things can happen, far beyond our dreams if only we learn and allow God to work through each of us completely. It was only through his surrender to God's will and learning to trust completely, that he found a happiness and thankfulness far beyond his previous thinking.

WINNER OF THE PULITZER PRIZE The first full account of how the Cold War arms race finally came to a close, this riveting narrative history sheds new light on the people who struggled to end this era of massive overkill, and examines the legacy of the nuclear, chemical, and biological weapons that remain a threat today. Drawing on memoirs, interviews in both Russia and the US, and classified documents from deep inside the Kremlin, David E. Hoffman examines the inner motives and secret decisions of each side and details the deadly stockpiles that remained unsecured as the Soviet Union collapsed. This is the fascinating story of how Reagan, Gorbachev, and a previously unheralded collection of scientists, soldiers, diplomats, and spies changed the course of history.

New York Times bestselling author Brenda Novak returns to Silver Springs, where no past mistake is so big the heart can't find a way to fix it. Jada Brooks couldn't have known how her life would change when she fell for bad boy Maddox Richardson back in high school. She couldn't have known his troubled brother would leave her forever crippled. Or that she'd be forced to shun Maddox completely—only to discover she was carrying his child. Although Maddox was devastated by the events that transpired that fateful night, losing Jada was the worst of it. He's back in Silver Springs, ready to make amends and provide the kind of youth outreach that once saved him. If he'd known Jada was in town, too, he would never have come. Jada has returned to Silver Springs to be with family after her father's death. But when she sees Maddox,

every tough decision she's made concerning their now twelve-year-old daughter begins to haunt her. Falling for him again is so tempting, but not only does she stand to alienate her family—if he finds out about Maya, she could lose what matters most. Don't miss Brenda Novak's latest book, *When I Found You!*

Jay Watson argues that southern literary studies has been overidealized and dominated by intellectual history for too long. In *Reading for the Body*, he calls for the field to be rematerialized and grounded in an awareness of the human body as the site where ideas, including ideas about the U.S. South itself, ultimately happen. Employing theoretical approaches to the body developed by thinkers such as Karl Marx, Colette Guillaumin, Elaine Scarry, and Friedrich Kittler, Watson also draws on histories of bodily representation to mine a century of southern fiction for its insights into problems that have preoccupied the region and nation alike: slavery, Jim Crow, and white supremacy; the marginalization of women; the impact of modernization; the issue of cultural authority and leadership; and the legacy of the Vietnam War. He focuses on the specific bodily attributes of hand, voice, and blood and the deeply embodied experiences of pain, illness, pregnancy, and war to offer new readings of a distinguished group of literary artists who turned their attention to the South: Mark Twain, Jean Toomer, Zora Neale Hurston, William Faulkner, Richard Wright, Katherine Anne Porter, Bobbie Ann Mason, and Walker Percy. In producing an intensely embodied U.S. literature these writers, Watson argues, were by turns extending and interrogating a centuries-old tradition in U.S. print culture, in which the recalcitrant materiality of the body serves as a trope for the regional alterity of the South. *Reading for the Body* makes a powerful case for the body as an important methodological resource for a new southern studies.

On the tenth anniversary of the date that UN peacekeepers landed in Rwanda, Random House Canada is proud to publish the unforgettable first-hand account of the genocide by the man who led the UN mission. Digging deep into shattering memories, General Dallaire has written a powerful story of betrayal, naïveté, racism and international politics. His message is simple and undeniable: "Never again." When Lt-Gen. Roméo Dallaire received the call to serve as force commander of the UN intervention in Rwanda in 1993, he thought he was heading off on a modest and straightforward peacekeeping mission. Thirteen months later he flew home from Africa, broken, disillusioned and

suicidal, having witnessed the slaughter of 800,000 Rwandans in only a hundred days. In *Shake Hands with the Devil*, he takes the reader with him on a return voyage into the hell of Rwanda, vividly recreating the events the international community turned its back on. This book is an unsparing eyewitness account of the failure by humanity to stop the genocide, despite timely warnings. Woven through the story of this disastrous mission is Dallaire's own journey from confident Cold Warrior, to devastated UN commander, to retired general engaged in a painful struggle to find a measure of peace, reconciliation and hope. This book is General Dallaire's personal account of his conversion from a man certain of his worth and secure in his assumptions to a man conscious of his own weaknesses and failures and critical of the institutions he'd relied on. It might not sit easily with standard ideas of military leadership, but understanding what happened to General Dallaire and his mission to Rwanda is crucial to understanding the moral minefields our peacekeepers are forced to negotiate when we ask them to step into the world's dirty wars. Excerpt from *Shake Hands with the Devil* My story is not a strictly military account nor a clinical, academic study of the breakdown of Rwanda. It is not a simplistic indictment of the many failures of the UN as a force for peace in the world. It is not a story of heroes and villains, although such a work could easily be written. This book is a *cri de coeur* for the slaughtered thousands, a tribute to the souls hacked apart by machetes because of their supposed difference from those who sought to hang on to power. . . . This book is the account of a few humans who were entrusted with the role of helping others taste the fruits of peace. Instead, we watched as the devil took control of paradise on earth and fed on the blood of the people we were supposed to protect.

"The *Unforgettable Buzz* is a thoroughly researched and cleverly written study of electric football. Every Baby Boomer who played the game - and that's all of us - will love this book." - Ray Didinger, Pro Football Hall of Fame Sportswriter and NFL Films Emmy Award Winning Writer and Producer "This is such a great book. It immediately took me back to those special moments of my childhood. Shores and Garcia have done their homework in opening a sacred portal to the past." - Rick Burton, David B. Falk Professor of Sport Management, Syracuse University "The *Unforgettable Buzz*" is the first and only book ever written on the topic of Electric Football. Yet it's about much more than just a game. It's about receiving the best Christmas gift ever - that's what Electric Football means to millions of Baby Boomers who grew up between 1950 and 1980. Authors Earl Shores and Roddy Garcia have spent over a decade carefully weaving the timelines of Electric Football, Baby Boomer culture, and the NFL into perhaps the most complete "toy story" ever written. With over 300 images and a stunning cover-to-cover design by Marvel Graphic Artist Michael Kronenberg, Christmas morning is always just a page-turn away in "The *Unforgettable Buzz*."

The Star Trek: Signature Edition: The Hand of Kahless Tundra Books

Part coming of age, part call to action, this fast-paced #ownvoices novel about a Deaf teenager is a unique and inspiring exploration of what it means to belong. Smart, artistic, and independent, sixteen year old Piper is tired of trying to conform. Her mom wants her to be “normal,” to pass as hearing, to get a good job. But in a time of food scarcity, environmental collapse, and

political corruption, Piper has other things on her mind—like survival. Piper has always been told that she needs to compensate for her Deafness in a world made for those who can hear. But when she meets Marley, a new world opens up—one where Deafness is something to celebrate, and where resilience means taking action, building a community, and believing in something better. Published to rave reviews as *Future Girl* in Australia (Allen & Unwin, Sept. 2020), this empowering,

unforgettable story is told through a visual extravaganza of text, paint, collage, and drawings. Set in an ominously prescient near future, *The Words in My Hands* is very much a novel for our turbulent times.
