Candy Girl Scholastic Inc.

An international literary phenomenon -- now available for the first time in English translation -- Candy is a hip, harrowing tale of risk and desire, the story of a young Chinese woman forging a life for herself in a world seemingly devoid of guidelines. Hong, who narrates the novel, and whose life in many ways parallels the author's own, drops out of high school and runs away at age 17 to the frontier city of Shenzhen. As Hong

navigates the temptations of the city, she quickly falls in love with a young musician and together they dive into a cruel netherworld of alcohol, drugs, and excess, a life that fails to satisfy Hong's craving for an authentic self, and for a love that will define her. This startling and subversive novel is a blast of sex, drugs, and rock 'n' roll that opens up to us a modern China we've never seen before. Banned in China -- with Mian Mian labeled the 'poster child for spiritual pollution' -- Candy still managed to sell 60,000 copies, as well as countless additional copies in pirated editions. Candy has been published in

eight countries to date and has become a bestseller in France.

Candy Random House Books for Young Readers

Joe is hooked from the moment he sees Candy. What is it that catches his eye? Is it her hair, her smile, or just the way she's standing? When they chat over coffee there's an instant attraction - but can love ever be this sweet?

The Legend of the Candy Cane Simon and Schuster

Christmas from Heaven is the story of the humble beginnings of what became a beacon of hope to a war-torn land, the story of Gail Halvorsen, a young pilot in the US Army Air Corps who was assigned as a cargo pilot to the Berlin Airlift, in which US forces flew much-needed supplies into a Soviet-blockaded Berlin.

As he performed his duties, Lt. Halvorsen began to notice the German children gathered by the fences of Tempelhof Air Base. Knowing that they had very little, he one day offered them some chewing gum. From that small act, an idea sprang: He would "bomb" Berlin with candy. Fashioning small parachutes, he and his crew sent them floating down as they approached the Berlin airport, wiggling the wings of their C-54 as a signal to the children that their anticipated cargo would soon arrive. Lt. Halvorsen became known by hundreds, if not thousands, of children in Berlin as "Uncle Wiggly Wings" or "The Candy Bomber." Word soon spread, and donations of candy and other supplies poured in from sympathetic Americans. Lt. Halvorsen's small idea became a

great symbol of hope not only to German children in a bombed-out city but to all those who yearned for freedom.

**Harriet's Halloween Candy** Zondervan George loves Saturdays. That's because Saturdays mean time with Grandma Stella. The two of them love going on adventures downtown to visit the dinosaur museum and ride on the carousel! Even when they stay in, George and Stella have fun together, making cinnamon rolls without popping open a tube and sharing the biggest, best hugs. Then one day Stella is gone, and George is ready to cancel Saturdays. But when a new addition to the family arrives, George finds a way to celebrate the priceless memories he made with his grandma—while making new ones too. Christmas from Heaven First Second

What happens when something truly miraculous shows up in your life? Do you recognize it? Do you appreciate it? Do you see it for what it really is? This is a story of a child and a curious little candy dish that holds a special treat every day. But it comes with its fair share of frustrations too. Written by New York Times best-selling author Kobi Yamada, it is a story for readers of all ages about finding wonder in simple delights. And it is an invitation to savor each moment and discover gratitude for the gift of a brand-new day.

Dr. Man Candy Broken Spine Press Decried by David Letterman (tongue in cheek) on CBS TV's The Late Show to be the pick of "Dave's Book Club 2006," Candy Girl is the story of a young writer who dared to bare it all as a stripper. At

the age of twenty-four, Diablo Cody decided there had to be more to life than typing copy at an ad agency. She soon managed to find inspiration from a most unlikely source— amateur night at the seedy Skyway Lounge. While she doesn't take home the prize that night, Diablo discovers to her surprise the act of stripping is an absolute thrill. This is Diablo's captivating fish-out-of-water story of her yearlong walk on the wild side, from quiet gentlemen's clubs to multilevel sex palaces and glassed-in peep shows. In witty prose she gives readers a behind-the-scenes look at this industry through a writer's keen eye, chronicling her descent into the skin trade and the effect it had on her self-image and her relationship with her now husband.

#### Candy Page Street Kids

"Najika is a great cook and likes to make meals for the people she loves. But something is missing from her life. When she was a child, she met a boy who touched her heart-- and now she's determined to find him. The only clue Najika has is a silver spoon that leads her to the prestigious Seika Academy. Attending Seika will be a challenge. Every kid at the school has a special talent, and the girls in Najika's class think she doesn't deserve to be there. But Sora and Daichi, two popular brothers who barely speak to each other, recognize Najika's cooking for what it is-- magical. Is either boy Najika's mysterious prince? -- p. [4] of cover.

*Convict's Candy* Mars Needs Music  
In Ethiopia, Yuvi dreams of a land where

water flows, bread is plentiful, and candy grows on trees. But it is only after a difficult journey that she arrives in Israel, where it appears that her dreams have come true.

#### Forever Terry Penguin

Harriet learns the hard way that sharing her Halloween candy makes her feel much better than eating it all herself.

#### Chameleon in a Candy Store Chicken House

After losing someone she loved, artist Candy Chang painted the side of an abandoned house in her New Orleans neighborhood with chalkboard paint and stenciled the sentence, "Before I die I want to \_\_\_\_." Within a day of the wall's completion, it was covered in colorful chalk dreams as neighbors stopped and reflected on their lives. Since then, more

than four hundred Before I Die walls have been created by people all over the world. This beautiful hardcover book is an inspiring celebration of these walls and the stories behind them. Filled with hope, fear, humor, and heartbreak, Before I Die presents an intimate portrait of the dreams within our communities and a chance to ponder life's ultimate question.

#### **Candy and Me** Simon and Schuster

A self-proclaimed candy fanatic and lifelong chocoholic traces the history of some of the much-loved candies from his youth, describing the business practices and creative candy-making techniques of some of the small companies.

*Look! It's the Candycorn* St. Martin's Press

While her Uncle Ted is off fighting in

World War II, Lee watches the candy gradually disappear from the shelves of her family's store and realizes that her entire world has changed.

**Candyfreak** S.E. Law Romance

Candace's Halloween employment at The Zone amusement park helps her overcome her reluctance to assert herself, especially once a series of strange accidents makes some people think the place is haunted.

*The Candy Shop War* St. Martin's Griffin  
Alexander Being with Tavin is like eating those candies that start out sweet and then turn so sour, your eyes water. When she's happy, her radiance is stunning, but her glow is dimmed by her dark secrets. I knew from the moment I laid eyes on her, sucking on that lollipop, that there was something unique about

her. I was right in more ways than one, and while I don't know the extent of suffering that her life entails, I'll do whatever I need to, to convince her she can trust me. I just need to hang on to her long enough to do that. Tavin When he wraps his arms around me, and his warmth makes me feel safe, it's easy to pretend that this is real. I knew going out with him was a bad idea, I just never imagined it would go this far. It was only supposed to be one night. One night to feel like a normal girl. I didn't plan for this and now, every day that passes puts us deeper in danger. All I can do is make the most of every moment with him, so when the time comes for this to end, then at least we'll be left with beautiful memories. Trigger Warning: This novel contains drug use, explicit sexual

content, violence, and sensitive subject matter which may be triggering for some readers. \*\*\* A percentage of all sales is being donated to the To Write Love On Her Arms charity.

### **Candy** Ballantine Books

It's almost Thanksgiving, and Richard Best can't stop thinking about Ms. Rooney's Candy Corn contest. Whoever can guess the exact number of yellow-and-orange candies in the jar on Ms. Rooney's desk gets to keep them all. The only problem is Richard has to read a page in a library book for each guess. Smelly Matthew, who sits in front of him, knows they'll never win. "We're the worst readers in the class," he says. But Richard won't give up. He can already taste those Candy Corns. And before he knows it, he has. Three fat juicy ones.

What will Ms. Rooney do when she finds out?

### *Candy* Yearling

When fifth-graders Nate, Summer, Trevor, and Pigeon meet the new candy store owner Mrs. White, she gives them magical candy that endows them with super powers, but soon they find that along with these benefits are dangerous consequences.

### Candy Coated Chaos Publishamerica Incorporated

There were good times and bad times, but in the beginning there were more good times. When I first met Candy those were the days of juice, when everything was bountiful. Only much later did it all start to seem like sugar and blood, blood and sugar...It's like you're cruising along in a beautiful car

on a pleasant country road with the breeze in your hair and the smell of eucalyptus all around you. The horizon is always up there ahead, unfolding towards you, and at first you don't notice the gradual descent, or the way the atmosphere thickens. Bit by bit the gradient gets steeper, and before you realise you have no brakes, you're going pretty fucking fast.' Candy is a love story. It is also a novel about addiction. From the heady narcissism of the narrator's first days with his new lover, Candy, and the relative innocence of their shared habit, Candy charts their decline. Candy becomes a prostitute, the narrator becomes a scam artist, and smack becomes the total and only focus of their lives. But this is not just another junkie novel: Davies is a very fine writer

and Candy is confronting, painful, sexy, tender and at times darkly hilarious. A remarkable novel.

**Bone Talk** Allen & Unwin

#1 NATIONAL BESTSELLER Terry Fox defined perseverance and hope for a generation of Canadians. Forty years after Terry's run ended, *Forever Terry* reflects what Terry's legacy means to us now, and in the future. To mark the 40th anniversary of the Marathon of Hope, *Forever Terry: A Legacy in Letters* recounts the inspiration, dedication, and perseverance that Terry Fox embodied, and gives voice to an icon whose example spoke much louder than his words. Comprising 40 letters from 40 contributors, and edited by Terry's younger brother Darrell on behalf of the Fox family, *Forever Terry* pays tribute to

Terry's legacy, as seen through the eyes of celebrated Canadians ranging from Margaret Atwood, Bobby Orr, Perdita Felicien, Jann Arden, and Christine Sinclair, to those who accompanied Terry on his run, Terry Fox Run organizers, participants, supporters, and cancer champions. Appearing alongside never-before-seen photos of their hero, their reflections reveal connections that readers would never have expected, and offer a glimpse into the way goodness and greatness inspire more of the same. Forever Terry is a testament to the influence one brave man has had on the shape of Canadian dreams, ambitions, and commitment to helping others. Author proceeds support the Terry Fox Foundation, which has raised over \$800 million for cancer research. Contributors

include Hayley Wickenheiser, Tom Cochrane, Darryl Sittler, Shawn Ashmore, Doug Alward, Nadine Caron, Douglas Coupland, Rick Hansen, Sidney Crosby, Akshay Grover, Lloyd Robertson, Bret Hart, Leslie Scrivener, Isadore Sharp, Wayne Gretzky, Jim Pattison, Catriona Le May Doan, Malindi Elmore, Michael Bublé, Silken Laumann, Steve Nash, Karl Subban, and Marissa Papaconstantinou, among many others.

**Candy Bomber** Kodansha Comics  
A giant, black bat takes candy from bullies on Halloween and gives it to good little boys and girls on Christmas in this anti-bullying tale for children of all ages. *The Fall of Candy Corn* Hachette+ORM  
The residents of a quiet Japanese neighborhood have slowly come to realize that inauspicious, paranormal

forces are at play in the most unlikely of places: the local playground. Two friends, a young boy and girl, resolve to exorcise the evil that inhabit it, including a snaggle-toothed monster. In *Animus*, a

beautiful but spooky young adult graphic novel of everyday hauntings, Antoine Revoy delivers an eerie tale inspired by the Japanese and French comics of his childhood.
