West of Sunset Simon and Schuster

Three novels and nine short stories by F. Scott Fitzgerald.

The Love of the Last Tycoon Simon and Schuster

Fitzgerald's last novel, published posthumously in 1941, was edited by Edmund Wilson, who attempted to polish the work to make it appear less like a work in progress. This version of the acclaimed Cambridge Critical text draws on the manuscript and Fitzgerald's own working drafts, notes, revisions, and corrections.

Together, these forty-three stories compose a vivid picture of a

lost era, but their brilliance is timeless.

The Waning Age Dramatists Play Service, Inc.

"Crazy Sunday" is a short story by F. Scott Fitzgerald originally published in the October 1932 issue of "American Mercury".

The Last Tycoon Harper Collins

Lost Tycoon presents an unvarnished, in-depth portrayal of the man who vows to "Make America Great Again." Although it was first published in 1993, Lost Tycoon shows us that The Donald's personal character, political philosophy, business ethics, and attitude towards women haven't changed much in the past two decades. Trump is a man of many lives, and many wives. He is arguably the greatest self-promoter in the annals of American business. After inheriting a fortune, he made and lost billions in real estate and casino gambling, rising phoenix-like from his own

ashes. He is a reality television show star, a father, a grandfather, and an alleged rapist. In Hollywood terms, he has literally been the producer and director of his own biopic--a real life "Citizen Kane," whose father hammered the same lines into his head when was a little boy: "You are a killer . . . you are a king . . . you are a killer . . .you are a king." Harry Hurt has created a cinema verité-style narrative that allows the words and actions of the principals to speak for themselves. It is indisputable that Donald's exploits in business, entertainment, and politics prove that he is--to borrow a metaphor from Fred Trump Sr.--"a killer." Reading this important biography about the real Donald Trump will help you to make an informed and engaged choice as to whether he is worthy of being "king."

F. Scott Fitzgerald's poignant final work is now available in a beautifully designed collector's edition. Fitzgerald's final novel portrays the glittering excess of 1930s Hollywood. This edition, authorized by the Fitzgerald estate, is a careful restoration of the author's phrases, words, and images that were excised from the 1940 publication, giving new luster to Fitzgerald's last work. A tragic story of the young Hollywood mogul Monroe Stahr, a character who was inspired by the life of movie producer Irving Thalberg, *The Last Tycoon* is a sharply observed and bittersweet exposé of the film industry in its heyday.

Paradise Lost Crown

The last tycoon centers on the life of fictional film executive Monroe Stahr, circa Hollywood in the 1930s. Stahr is modeled loosely on the life of film executive Irving Thalberg.

Dear Scott, Dearest Zelda Scribner

The Hollywood of the 1930s is a constantly spinning Ferris wheel of business, alcohol, and promiscuity – and a complete lack of morals. Film mogul Monroe Stahr's mode outwardly reflects the industry; he is a cynical workaholic who rarely leaves the studio before eleven o'clock. One evening, a mysterious woman stands before him and smiles. It is the beginning of a passionate, yet hopeless, love story. The seduction scene is like something out of one of Stahr's films, and thereafter the story unfolds frame by frame – observed by Cecilia, daughter of Stahr's business partner: a girl who has carefully studied the classic narrative techniques of film. *The Last Tycoon* takes place during the extravagant heyday of Hollywood. This posthumous novel, never completed, became F. Scott Fitzgerald's final, poignant farewell to the great American dream. F. SCOTT FITZGERALD [1896-1940] was an American author, born in St. Paul, Minnesota. His legendary marriage to Zelda Montgomery, along with their acquaintances with notable figures such as Gertrude Stein and Ernest Hemingway, and their lifestyle in 1920s Paris, has become iconic. A master of the short story genre, it is logical that his most famous novel is also his shortest: *The Great Gatsby* [1925].

Against the Current Simon and Schuster

A self-portrait of a great writer 's rise and fall, intensely personal and etched with Fitzgerald's signature blend of romance and realism. *The Crack-Up* tells the story of Fitzgerald's sudden descent at the age of thirty-nine from glamorous success to empty despair, and his determined recovery. Compiled and edited by Edmund Wilson shortly after F. Scott Fitzgerald's death, this revealing collection of his essays—as well as letters to and from Gertrude Stein, Edith Wharton, T.S. Eliot, John Dos

Passos—tells of a man with charm and talent to burn, whose gaiety and genius made him a living symbol of the Jazz Age, and whose recklessness brought him grief and loss. "Fitzgerald's physical and spiritual exhaustion is described brilliantly," noted *The New York Review of Books*: "the essays are amazing for the candor."

F. Scott Fitzgerald's The Last Tycoon Simon and Schuster

On the face of it, Evelyn Piper has it all: a loving husband, a devoted daughter, and a secure lifestyle. However, she is also the owner of a cut-glass bowl given to her in anger by a rejected suitor. This bowl seems to act as the connecting thread between all the tragedies that befall Evelyn and her family. With the deft use of symbolism, Fitzgerald creates a short story that encourages the reader to reflect on their own lives, material wealth, and past regrets. An introspective read for fans of the author of 'The Great Gatsby.' F. Scott Fitzgerald (1896-1940) is one of the greatest American novelists of the 20th century and the author of the classics 'Tender is the Night' and 'The Great Gatsby', with the latter having been made into a film starring Leonardo DiCaprio and Carey Mulligan. Skillfully capturing the prosperity of post-World War One America, his writing helped illustrate the 1920s Jazz Age that he and his wife Zelda Fitzgerald were at the centre of.

I'd Die For You Lindhardt og Ringhof

This pictorial autobiography of Scott and Zelda Fitzgerald documents two lives that have become legendary. The book draws almost entirely from the scrapbooks and photograph albums that the Fitzgeralds scrupulously kept as their personal record and provides a wealth of illustrative material not

previously available. Minnesota; a photograph of the country club in Montgomery, Alabama, where the two met; reviews of *This Side of Paradise*; poems to the couple from Ring Lardner; snapshots of their trips abroad; Fitzgerald's careful accounting of his earnings; a photograph of the house on Long Island where *The Great Gatsby* was conceived; postcards with Fitzgerald's drawings for his daughter. These rare photographs and memorabilia combine into a narrative augmented by selections from Scott's and Zelda's own writings, conveying the spirit of particular moments in their lives.

Careless People HarperCollins

Kirkus (STARRED review) "Churchwell... has written an excellent book... she's earned the right to play on [Fitzgerald's] court. Prodigious research and fierce affection illumine every remarkable page." The autumn of 1922 found F. Scott Fitzgerald at the height of his fame, days from turning twenty-six years old, and returning to New York for the publication of his fourth book, *Tales of the Jazz Age*. A spokesman for America's carefree younger generation, Fitzgerald found a home in the glamorous and reckless streets of New York. Here, in the final incredible months of 1922, Scott and Zelda Fitzgerald drank and quarreled and partied amid financial scandals, literary milestones, car crashes, and celebrity disgraces. Yet the Fitzgeralds' triumphant return to New York coincided with another event: the discovery of a brutal double murder in nearby New Jersey, a crime made all the more horrible by the farce of a police investigation—which failed to accomplish anything beyond generating enormous publicity for the newfound celebrity participants. Proclaimed the "crime of the decade" even as its proceedings dragged on for

years, the Mills-Hall murder has been wholly forgotten today. But the enormous impact of this bizarre crime can still be felt in *The Great Gatsby*, a novel Fitzgerald began planning that autumn of 1922 and whose plot he ultimately set within that fateful year. *Careless People* is a unique literary investigation: a gripping double narrative that combines a forensic search for clues to an unsolved crime and a quest for the roots of America's best loved novel. Overturning much of the received wisdom of the period, *Careless People* blends biography and history with lost newspaper accounts, letters, and newly discovered archival materials. With great wit and insight, acclaimed scholar of American literature Sarah Churchwell reconstructs the events of that pivotal autumn, revealing in the process new ways of thinking about Fitzgerald's masterpiece. Interweaving the biographical story of the Fitzgeralds with the unfolding investigation into the murder of Hall and Mills, *Careless People* is a thrilling combination of literary history and murder mystery, a mesmerizing journey into the dark heart of Jazz Age America.

One of the most common—and wounding—misconceptions about literary scholars today is that they simply don't love books. While those actually working in literary studies can easily refute this claim, such a response risks obscuring a more fundamental question: why should they? That question led Deidre Shauna Lynch into the historical and cultural investigation of *Loving*

Literature. How did it come to be that professional literary scholars are expected not just to study, but to love literature, and to inculcate that love in generations of students? What Lynch discovers is that books, and the attachments we form to them, have played a vital role in the formation of private life—that the love of literature, in other words, is deeply embedded in the history of literature. Yet at the same time, our love is neither self-evident nor ahistorical: our views of books as objects of affection have clear roots in eighteenth- and nineteenth-century publishing, reading habits, and domestic history. While never denying the very real feelings that warm our relationship to books, *Loving Literature* nonetheless serves as a riposte to those who use the phrase “the love of literature” as if its meaning were transparent. Lynch writes, “It is as if those on the side of love of literature had forgotten what literary texts themselves say about love's edginess and complexities.” With this masterly volume, Lynch restores those edges and allows us to revel in those complexities.

The Short Stories of F. Scott Fitzgerald Univ of South Carolina Press

1930s. *The Golden Age of Hollywood*. F. Scott Fitzgerald's masterpiece about the movie industry. The tragedy of a man obsessed. Monroe Stahr (loosely based on legendary producer Irving Thalberg) is in a fight with Pat Brady (loosely based on movie mogul Louis B. Mayer) over artistic control of his movies. The “Boy Wonder” is only 36 and the most celebrated producer in Hollywood, but already the corporate men are ready to throw him over if he doesn't turn a profit. In a world where money is God, art is seldom discussed. When Stahr decides to make his

masterpiece, the "Shakespeare Project," as a tribute to his dead wife, knowing full well it will lose money, Brady and the Money Men try to bring him down. They stand a good chance. Stahr has a bad heart from a childhood illness. His doctor tells him if he doesn't slow down, he'll be "dead in six months." But Stahr is a man obsessed—with movies, with illusion, with memories of his dead wife, with a mysterious, enigmatic woman (Kathleen Moore) whom he met on the back lot after an earthquake nearly destroyed his studio. It's been years since he's cared about another woman. He pursues her, like his precious "Project," without regard to consequences. All around him are people who love and want to protect him—especially Cecelia Brady (Pat Brady's daughter), who takes us on a journey of love into the literal and metaphorical heart of a great man. Winner of the Sherwood Anderson Foundation Fiction Award
Honorable Mention for the PEN/Hemingway Award "F. Scott Fitzgerald meets Wes Anderson" (The Village Voice) in this inventive and witty debut about a young man's quest to become a writer and the misadventures in life and love that take him around the globe—from the author of *Why We Came to the City* As early as he can remember, the narrator of this remarkable novel has wanted to become a writer. From the jazz clubs of Manhattan to the villages of Sri Lanka, Kristopher Jansma's hopelessly unreliable—yet hopelessly earnest—narrator will be haunted by the success of his greatest friend and literary rival, the brilliant Julian McGann, and endlessly enamored with Evelyn, the green-eyed girl who got away. A profound exploration of the

nature of truth and storytelling, this delightful picaresque tale heralds Jansma as a bold, new American voice.

Tycoon Simon and Schuster

At the tender age of 17, half-Russian, half-American Val has a brief romance with a married woman from the United States. However, this fleeting encounter is about to change his life, forever. Set against the backdrop of the Russian aristocracy and the heady sparkle of Cannes, 'Love in the Night' is a beautifully-written tale of love, loss, and hope. Penned with the lightest of touches, we see Fitzgerald wearing his heart on his sleeve and exposing himself as a shameless romantic. A superb gift for that special person in your life. Born in Minnesota, Francis Scott Keys Fitzgerald (1896 - 1940), was an American novelist, and short-story writer. Considered by many to be at the forefront of American literature, most of Fitzgerald's success can be attributed to 'The Great Gatsby.' This book was only a success after his death and was later to become a film, starring Leonardo de Caprio. At the age of 13, while attending the St Paul Academy, his first work, a detective story, found its way into the school newspaper. After enrolling at the Newman School, he was encouraged by Father Sigourney Fay to pursue a career as a writer. During his lifetime, Fitzgerald published four novels, four collections of stories, and more than 160 shorter works. He died from a heart attack, aged 44.

Unfinished at the time of his death, *The Last Tycoon* was F. Scott Fitzgerald's last novel, compiled and published posthumously. A Hollywood heavyweight, Monroe Stahr embarks on a passionate but ill-fated love affair with the beautiful Kathleen Moore while struggling to hold on to his success and fend off his chief rival, Pat Brady. Published under the working title *The Last Tycoon*, in the decades following Fitzgerald's death it has been accepted that he intended the work to be titled *The Love of the Last Tycoon*; it has been published as such since 1993. Although incomplete, *The Last Tycoon* has been adapted for television and film based on Fitzgerald's extensive notes and outlines for the complete work. This edition of *The Last Tycoon* contains the six chapters that had been completed at the time of Fitzgerald's death in 1940.
