A Struggle for the Ages. . . BOSTON GLOBE JANUARY 6, 1920 RED SOX SELL RUTH FOR \$100,000 CASH ----- Demon Slugger of American League, Who Made 29 Home Runs Last Season, Goes to New York Yankees ----- FRAZEE TO BUY NEW PLAYERS The Yankees vs. the Red Sox. Each baseball season begins and ends with unique intensity, focused on a single question: What's ahead for these two teams? One, the most glamorous, storied, and successful franchise in all of sports; the other, perennially star-crossed but equally rich in baseball history and legend. In The Rivals sports writers of The New York Times and The Boston Globe come together in the first-ever collaboration between the two cities' leading newspapers to tell the inside story of the teams' intertwined histories, each from the home team's perspective. Beginning with the Red Sox's early glory days (when the Yankees were perennial losers), continuing through the Babe Ruth era and the notorious trade that made the Yankees champions (and marked the Sox with the so-called "Curse of the Bambino"); to Ted Williams vs. Joe DiMaggio; Thurman Munson and Carlton Fisk; Roger Clemens and Pedro Martinez; down to last year's legendary playoff showdown, The Rivals captures the drama of key eras, events, and personalities of both teams. And who better to tell the story than the baseball writers of the two rival cities? For The New York Times, it's Dave Anderson, Harvey Araton, Jack Curry, Tyler Kepner, Robert Lipsyte and George Vecsey who report on the Yankee view of the rivalry, while The Boston Globe's Gordon Edes, Jackie MacMullan, Bob Ryan and Dan Shaughnessy recount the view from the Hub. And their stories are richly illustrated with classic photographs and original articles from the archives, capturing the great moments as they happened. For Red Sox fans, Yankees fans, or anyone interested in remarkable baseball history, The Rivals is an expert, up-close look at the longest, and fiercest of all sports rivalries.

Boston's American League baseball club thrust itself into the city's consciousness in 1901, and in the century-plus to follow, the team that morphed into the Red Sox became a regional institution. A beloved franchise through its ups and downs, its triumphs and tragedies, the Red Sox are very much part of the fabric of New England. They are like family to the people of Boston. The Red Sox have been blessed with many legends. Some of the greatest players of all time have worn the uniform. Ted Williams, Cy Young and Babe Ruth are on the short lists of all fans as among the best of the best. But others authored great moments as well. Players such as Carl Yastrzemski, Jimmie Foxx, Carlton Fisk and Roger Clemens made memories with their pitches or hits, their historic home runs or their bring-the-heat strikeouts. With a franchise that has been around for 112 years, that plays in iconic Fenway Park, that has won dramatic World Series and been an object of woe through lean years, there is much to review in choosing a top group of players. The 50 Greatest Players in Boston Red Sox History selects and rates this group based on the overall accomplishments of the best players to wear a Red Sox uniform. In addition, it weighs the achievements of those players during their time with the club. It was a challenge to sort out the contributions of those whose careers never came close to overlapping and compare the pros and cons of each man's statistics. This list will likely provoke discussion, though hopefully not serious enough to cause permanent rifts between fans. While the greatest of the Red Sox greats are natural fits for the top group of players, guys who could make any team anywhere, some players from various eras will get a fresh boost and will have more details of their careers exposed to younger generations of fans. Jimmy Collins, Tex Hughson, Bill Dinneen, and Jackie Jensen are among the players who contributed mightily to the Red Sox cause over the years and who should not be overlooked in memory.
