Playway to English Level 2 Pupil's Book Pan Macmillan Books are still among the most important cultural achievements of humanity. Their invention was as important as the Internet: for the first time, a mass transfer of information became possible. Education, science, research, but also entertainment was based on a new revolutionary basis. Books are changing society until today. The technical possibilities of mass printing led to a radical

increase in titles in the 18th and 19th centuries. Nevertheless, the conditions were still very different than today: Who wrote a book at that time, often wrote a life's work. This is reflected in the high quality of old books. Unfortunately, books age. Paper is not made for eternity. Therefore, we have made it our mission to preserve the book of knowledge of humanity and to make old books available in high quality at low prices

* National Bestseller and winner of the 2014 International IMPAC Dublin Literary Award * Hailed by Edmund White as "a brilliant new novel" on the cover of the New York Times Book Review * Lauded by Jonathan Franzen, E. L. Doctorow and many others From a global literary star comes a prize-winning tour de force – an intimate portrayal of the drug wars in Colombia. Juan Gabriel Vásquez has been hailed not only as one of South America's greatest literary stars, but also as one of the most acclaimed writers of his generation. In this gorgeously wrought, award-winning novel, Vásquez confronts the history of his home country, Colombia. In the city of Bogotá, Antonio Yammara reads an article about a hippo that had escaped from a derelict zoo once owned by legendary Colombian drug kingpin Pablo Escobar. The article transports Antonio back to when the war between Escobar's Medellín cartel and government forces played out violently in Colombia's streets and in the skies above. Back then, Antonio witnessed a friend's murder, an event that haunts him still. As he investigates, he discovers the many ways in which his own life and his friend's family have been shaped by his country's recent violent past. His journey leads him all the way back to the 1960s and a world on the brink of change: a time before narco-trafficking trapped a whole generation in a living nightmare. Vásquez is "one of the most original new voices of Latin American literature," according to Nobel Prize winner Mario Vargas Llosa, and *The Sound of Things Falling* is his most personal, most contemporary novel to date, a masterpiece that takes his writing—and will take his literary star—even higher.
